Patterson,2015-07-12 Excerpt from With the Zionists in Gallipoli The narrative of the Zionists in Gallipoli has been written during the enforced idleness of the past month a month which has been spent in endeavouring to recover sufficient health and strength to enable me to take a further and I trust a more useful hand in the Great Drama now approaching its climax In the following pages I have set down nought in malice neither have I given a word of praise where praise is not due and more than due My relations with those with whom I came into contact were excellent and on the very rare occasions when they were otherwise it was not due to any seeking of mine but unfortunately my temperament is not such that I can suffer fools gladly My story is one of actual happenings told just as I saw them with some suggestions thrown in and if from these a hint is taken here and there by those in the Seats of the Mighty then so much the better for our Cause About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
