[Wildfire Chronicles: Volumes 1-4 \[Post-apocalyptic/Zombie horror series bundle\]](#)

K.R. Griffiths, 2014-09-19 **Wildfire Chronicles** is the acclaimed horror science fiction series from K R Griffiths. This compilation collects volumes 1 to 4 in one bargain package.

Panic Volume 1 Michael Evans is only in rural St Davids to maintain a low profile after his time spent as a city cop ended in disaster. The town is perfect for him, isolated. A tiny population. Virtually no crime. Until the night the strange canisters fall from the sky and the town priest starts killing people with his teeth. To Michael, the bloodbath looks like a murder case that the quiet town's two police officers can't possibly handle. But this isn't just a crime scene. And the priest is just the beginning.

Shock Volume 2 The team had been told it would be a straightforward mission: enter St Davids, now little more than a ghost town, retrieve the target and return to base. Trouble is, the target is a man named Victor, and it looks like somebody else got to him first. And St Davids is anything but a ghost town.

Psychosis Volume 3 Michael Evans, crippled survivor of the massacre at St Davids, has only one goal left: to find his young daughter. And that means journeying north and discovering that during the five days he spent comatose in an underground bunker, the world has changed dramatically. And worse, it's still changing. Struggling to come to terms with a world steeped in shocking violence and ever-present danger, Michael must adapt quickly to a new reality: the virus has already infected the population. But it isn't stopping there.

Mutation Volume 4 The only thing the survivors of the catastrophe in South Wales wanted was a safe place to ride out the apocalypse. The castle looked perfect: high walls and natural defenses that even the infection could not breach. The problem was that someone had beaten them to it. Someone who would stop at nothing to maintain control. Someone with a dark secret that could change everything.

[Wildfire Chronicles: The Canavars \(A Post Apocalyptic Zombie Tale\)](#)

Shaun Whittington, 2020-04-19 It's been almost a year since a deadly virus has ravaged the earth and most of the lands are barren and devoid of life. A father and his eight year old daughter have been out in the wilderness for many months, just about surviving. The father is plagued by events of the past and his goal is to keep his daughter alive. No matter what. The beleaguered pair find sanctuary at a farmhouse and slowly, day by day, they begin to trust strangers that arrive at the farm seeking refuge. Tensions rise in the house, mainly because of one volatile survivor. And with that, as well as getting supplies and being weary of the dead, the whole group are struggling to relax and get on, but there's a danger that they're all unaware of: The threat of human desperados. Not for persons under the age of 18.
