[Satanic Alliances](#) Bruce G. Ohms, 2022-04-14 Existence of God didn t seem impossible to Bruce After all the universe exists and something had to create it All of the scientific theories that Bruce learned about the beginning of time space matter and energy basically said that it just happened and perhaps cyclically repeated the process He thought there was a critical piece missing because according to his understanding scientific principle requires a cause for every effect But what was the cause God seemed like a possible explanation Did God exist or not Without sound evidence agnosticism

persisted Much of what Bruce heard about Christianity and the Bible seemed like nonsense If that were the case the Bible and Christianity could not be based on a real God In a discussion with his wife to be he was challenged to show her any nonsense in the Bible What could be easier than that Just find those nonsensical writings and be done with it But what he found no matter how diligently he searched was that the nonsense was a misrepresentation of Scripture Based on overwhelming evidence from Scripture and science Bruce became convinced that the Bible is indeed the inspired Word of God This book is a presentation of many of the interesting things he discovered as he continued his search for the truth Both Christians and nonbelievers will find it eye opening

Biblical Demonology: A Scriptural Survey of Demons and Spirits Richie Cooley, 2018-03-19 The news regularly carries sad

reports of bizarre exorcism rituals where awful abuses have taken place Moreover interest in the demonic is growing very quickly throughout popular culture What does the Bible actually have to say about demons Come join me as I explore this question from a fundamental Christian perspective This is the new updated version *Biblical Eschatology*: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emery wrote an article titled An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book **Deep & Wide** Marcie D. Cramsey, 2013-02 What makes some children love God with all their heart and others reject Him What can a parent do to fight against this evil culture that wants to rob steal and kill their children s relationship with Christ As most of us know the enemy uses many tools to influence our children so they will rebel and reject the Lord Being young curious and easily deceived they make great targets for the evil one This book prepares parents to fill the kind of roles in their children s lives that are needed in order for their children to develop a close relationship with them and with Christ Parents can learn how to help their children be proactive in their faith

with Christ and lead themselves and others with God's love and power in an evil culture and not be led by it. Parents can find hope, practical help, and motivation to move forward. With God, parents can scale a wall and advance against a troop no matter the difficulties they face; they can do all things through Christ, who gives them great strength and weighty influence to lead their children. *Evidence of Divine Authorship: The Biblical Account of Elisha* Richie Cooley, 2018-03-14. The Bible is an amazing book depicting the totality of salvation history from the beginning unto the end of time. Join me as I review the life of Elisha, highlighting the semblances of his biography to the first and second advents of Jesus Christ. This is the new edited version. **Truth to Life**,
