Books Written in Stone J. Marc Merrill, 2012-03 The Great Pyramid mysteries abound For example Why was the subterranean chamber apparently abandoned and yet it is larger than the Queen's Chamber and the King's Chamber combined Why is there a pit in the floor of the subterranean chamber and why does the narrow passage that snakes south off the subterranean chamber come to a sudden end after 53 feet Why was sand from the Sinai hidden behind the wall of the horizontal passage to the Queen's Chamber and why is there a sudden drop in that passage Why was the Grand Gallery built so large in comparison to the ascending passage and why are the slots in the ramps of the Grand Gallery empty Why was the antechamber to the King's Chamber built with both limestone and granite blocks and what purpose could the so called Granite Leaf have served Egyptologists pyramidologists and others outside these two camps have attempted to explain such anomalies Their theories are examined and compared to a new vision that answers not just some of the questions about the Great Pyramid but all of them as revealed in Books Written in Stone Enoch the Seer the Pyramids of Giza and the Last Days

Robert Vannoy, 2009 The Cornerstone Biblical Commentary provides students pastors and laypeople with up to date evangelical scholarship on the Old and New Testaments It is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text Publisher The Fourth Gospel: Rediscovering Traditional Authorship and Its Implications for Critical Scholarship Kelly Seely, 2018-08-13 Modern commentaries and scholars often discount the authorship of the Fourth Gospel completely as if no good evidence exists for the Apostle John son of Zebedee its traditional author One prominent scholar even suggested that the Apostle John was illiterate He cited Acts 4:13 as evidence for his argument This short piece examines this and other authorship claims For at least 1 700 years the vast majority of churches around the world have held to traditional authorship While modern scholarship has all but abandoned even the idea of John son of Zebedee as the Fourth Gospel's author Christians for 1 700 years were not void of evidence by which they backed their claims assumptions Can a true scholar hold to traditional authorship while remaining academic Today a need exists to revisit the facts of the traditional authorship of the Fourth Gospel Kelly Seely examines a variety of internal and external evidence seeking to answer this question **The Books of Samuel, Volume 1** Cyril J. Barber, 2003-10-07 How I wish this book had been available years ago when I as a young minister tried to preach on the life of King Saul Dr Cyril Barber has given us a commentary on 1 Samuel that balances dependable information spiritual interpretation and practical application I predict that in years to come this volume will be a standard reference work for serious Bible students and careful expository preachers But there is no dull academic atmosphere in these pages The book is a joy to read Dr Barber makes ancient history exciting and practical and he does so without spiritualizing the text You will enjoy using this book It will open up new facets of truth for you to receive and apply in your own life and then share with others From the Foreword by Warren W Wiersbe

The Books of Kings, Volume 1 Cyril J. Barber, 2004-09-23 In a recent essay The Unmarked Way Harvard scholar Oscar Handlin wrote At some point midway into the 20th century Europeans and Americans discovered that they had lost all sense of direction Formerly familiar markers along the way had guided their personal and social lives from birth to maturity to death Now disoriented they no longer trust the guideposts and grope in bewilderment toward an unimagined destination Dr Handlin's observation confirms the fact that history has repeated itself One of the guideposts that could lead us through the maze of confusing theories is the Book of Kings Without the light of history shining over our shoulders we lose our sense of direction The admonition of the prophet Jeremiah points us back to the lighted path He counseled the people of his day to Ask for the ancient paths ask where the good way is and walk in it and you will find rest for your souls Now more so than ever before we need the teaching of 1 and 2 Kings and that after all is the purpose of these studies Read them and see

Hermeneutics, Authority, and Canon D. A. Carson, John Woodbridge, 2005-03-09 Among the many recent discussions of

the nature and authority of Scripture I would judge this to be one of the most valuable. Particularly in those essays that deal with the actual phenomena of the text of Scripture it displays a level of sophistication and of sympathetic awareness of alternative views that has too often been lacking. In contrast to the backs to the wall tone of some conservative defenses of inerrancy these authors write for the most part with the confidence of those who have a coherent and well grounded position to offer. The volume will I believe both help to commend Evangelical doctrine to those who suspect it of blind obscurantism and also contribute significantly to mutual understanding among Evangelicals who are too ready to polarize over their different assessments of what it means to honor Scripture as the Word of God. R T France, Vice Principal, London Bible College.

These thought minded essays are the channel through which conservative scholars must steer for competent interaction with current critical theories for helpful direction in focusing the battle over Scripture and for reflection of conflict areas that Evangelicals must themselves resolve. This work rises above the shallow shadow boxing over inerrancy and engages central concerns with academic ability and dignity. It puts on the agenda issues that Evangelical leaders must now wrestle. Does the Bible contain different kinds of truth? Is all divine revelation rational? Is the canon really post apostolic? No reader will agree with all that is said, some will loudly disagree here and there. But all students will be stimulated and serious readers edified at the frontiers of current debate. Carl F H Henry, Lecturer at Large, World Vision.

Theological Heresies That Shaped World History Robert C. Voiles, 2007-12. In *Theological Heresies that Shaped World History* author Robert C Voiles presents a fresh and critical examination of many doctrinal errors that have radically infected modern Christianity. Examined in detail is the ancient Greek parabolic method of teaching. Voiles explains that despite its shortcomings this method was adopted by both unbelieving Jews and the early church fomenting many later heresies. From a biblically conservative and dispensational viewpoint *Theological Heresies* addresses several key pillars of Christianity including differences between the nation Israel and the Church, the Gospel of the Kingdom vs the Gospel of Grace, the incorrect division of the Old and New Covenant, the beginning of the present Church and the necessity of the rapture. In many respects the reader will find this a groundbreaking work almost two millennia past due. Although easy to read for the layman it is also well documented for the advanced student referencing both Scripture and ancient church documents. The result of forty eight years of Scriptural studies including seven years gathering and incorporating documentation from ancient history *Theological Heresies that Shaped World History* is a must read resource for laymen, students, teachers and pastors.

The Winepress of God's Wrath Steve A. Hamilton, 2021-06-29. Without exception this is the most revealing commentary of the book of Revelation in decades. This fresh and historically researched commentary reveals what early Christians had known so many years ago about the apocalypse. After 1 900 years present day Christians finally have a reliable document that explains Christ's prophetic book. This commentary contains amazing insights. One of the main adversaries in the book of Revelation was a prominent historical figure. He was known as the savior of the church. People looked up to him.

and worshipped him The apostle Paul called him the man of sin and the son of perdition 2 Thessalonians 2 3 The apostle John in one of his earlier writings called him the Antichrist 1 John 2 18 Those who failed to get their names written in the Book of Life marveled at his presence in eternal punishment Revelation 17 8 That person is identified by name in this commentary Armageddon is more than a great battle in the book of Revelation It is the one defining event that will affect everyone's life The number of combatants is as the sand of the sea Yet the battle will be over before it ever begins Revelation 20 8 9 The bowls of God's wrath were poured out on a wicked and unsuspecting world Historically a foul and loathsome sore came upon the men who had the mark of the beast and those who worshipped his image Revelation 16 2 This plague was described in detail by writers who lived as it occurred This commentary includes their firsthand accounts The Winepress of God's Wrath depicts God's anger at a wicked society while providing hope and comfort to believers The theme in the book of Revelation is clear the wicked will not escape destruction Only obedient Christians will avoid the winepress of God's wrath Leviticus, Numbers, Deuteronomy David Baker, Dale Brueggemann, Eugene Merrill, 2018-02-06 The Cornerstone Biblical Commentary series provides students pastors and laypeople with up to date accessible evangelical scholarship on the Old and New Testaments Presenting the message for each passage as well as an overview of other issues relevant to the text each volume equips pastors and Christian leaders with exegetical and theological knowledge so they can better understand and apply God's Word This volume includes the entire NLT text of Leviticus Numbers and Deuteronomy Other features Provides pastors teachers and students with up to date evangelical scholarship Both exegetical and translation commentary Part of an 18 volume collection Features New Living Translation Text David Baker Ph D University of London is professor of Old Testament and Semitic languages at Ashland Theological Seminary in Ohio He serves as editor for the Evangelical Theological Society's Dissertation series and Studies series He has authored several articles books including the NIV Application Commentary on Joel Obadiah and Malachi and The Face of Old Testament Studies A Survey of Contemporary Approaches Dr Baker served as a Leviticus reviewer for the New Living Translation Dale Brueggemann Ph D Westminster Theological Seminary pastored in Idaho throughout the 1970s He has taught at Valley Forge Christian College in Philadelphia and at Central Bible College in Missouri Eugene H Merrill Ph D Columbia University is Distinguished Professor of Old Testament Studies at Dallas Theological Seminary in Texas and Distinguished Professor of Old Testament Interpretation at The Southern Baptist Theological Seminary in Kentucky He is currently director of Eurasia education services for Assemblies of God World Missions and he has been heavily involved in ministry in Europe Asia and the Middle East He is the author of several articles books including a commentary on Deuteronomy in the New American Commentary series and the Deuteronomy study notes for the NLT Study Bible He also served as a Deuteronomy reviewer for the New Living Translation **Testing the Gospel in the Book of Romans** Charles Tarrell, 2011-08-22 Supersessionism is deeply rooted in both Roman Catholic and Protestant theology and is as old as the church It is the belief that the church is the new Israel the true Israel and as such has

displaced or superseded ethnic Israel Throughout the history of the church it has been commonly held that the covenants God made with Israel and the promises God gave to that nation now belong to the Christian church The supersession controversy is not an obscure theological debate of interest only to a few Biblical scholars It involves questions of fundamental importance Does the God of the Christian Scriptures keep His promises What are the rules that guide our interpretation of Scripture Is Christian theology responsible for the horrors of anti-Semitism in Christian lands The Biblical focus of this controversy is the 11th chapter of the book of Romans There the Apostle Paul courageously addresses the supersession issue Tarrell invites the reader to feast on the riches of Pauls teaching on the atonement Romans 1:8 and to celebrate so great a salvation But he also invites the reader to embrace Pauls teaching about Israel Romans 9:11 Gods gift of salvation is precious and is thoroughly explained in the first 8 chapters of Romans But to prove the thesis of the book of Romans Paul tackles the most daunting problem of all the apparent inability of God to fulfill the promises He made to the nation of Israel Bringing up the problem of Israel is a gutsy move But it is the problem that must be addressed *Illustrated Bible Survey* Ed Hindson, Elmer L. Towns, 2017-07-01 This revised edition of *Illustrated Bible Survey* introduces all the books of the Bible from Genesis to Revelation and features expanded content dealing with current issues in Old Testament studies the latest archaeological finds and recent theological issues
