Zoo-phonics Preschool Lesson Plans

/l/

Teacher Preparation

Welcome to *Lizzy Lizard's Wonderful World of Learning!* This week, we will explore many words and things that start with the /l/ sound or have the /l/ sound in them! In math, the magic number this week is the number 12.

The themes for this week are "lovable" and "laughter."

This week's lessons provide many teaching ideas on all aspects of the preschool curriculum, all within the /l/ realm.

Here's an idea! Locate books that start with, or contain, the /l/ sound. Also, find science books on lizards and other /l/ critters. Try to find wordless /l/ books, as well. Build your classroom library. There's a wonderful book called, *How My Library Grew* by Dinah, by Martha Alexandra. It is a good way to introduce the concept of "library" to your students, if they haven't discovered it already. Take a trip to your local library and get a library card for each child. Take time to look at all the books. Invite parents and younger siblings to join you. Suggestions for literature are below and on page 129.

"Starting Lizzy Lizard!" Draw, or copy, a picture of our star, Lizzy Lizard. Place her on the celebration bulletin board. Collect /l/ words, names, labels, pictures, etc.

Parental Support: Give everyone his or her own copy of the "I Merged Animal Letter and Signaling instructions. Children are to review Lizzy Lizard's Signal and Sound with their parents. Ask parents to help children locate items, pictures, labels and words that have the /l/ sound.

Special Literature Selections:

1. *The Real Mother Goose*, by Blanche Fisher Wright (Illustrator)
2. *Lizard's Song*, by George Shannon
