The Work Smart Academic Planner Write It Down Get It Done:

The Work-Smart Academic Planner, Revised Edition Peg Dawson, Richard Guare, 2017-02-16 From executive skills experts Peg Dawson and Richard Guare this large format academic planner is specially designed for students in grades 6-12. It provides a system for keeping track of assignments and due dates while developing the crucial executive skills needed to succeed in school and beyond. Students are guided to build a daily study plan, manage their time, set short and long term goals, study for tests, and record their successes. They also get tools for evaluating their own executive skills in order to target their weaknesses and capitalize on strengths.

Response to Intervention and Precision Teaching Kent Johnson, Elizabeth M. Street, 2012-12-01 Successful implementation of response to intervention (RTI) for academic skills problems requires rigorous progress monitoring. This book shows how the proven instructional technology known as precision teaching (PT) can facilitate progress monitoring while building K-12 students' fluency in reading, writing, math, and the content areas. Detailed instructions help general and special education teachers use PT to target specific skills at all three tiers of RTI and incorporate it into project-based learning. Of crucial importance for RTI implementers, the book provides explicit procedures for measuring and charting learning outcomes during each PT session and using the data to fine-tune instruction. Reproducible charts and other useful tools can be downloaded and printed in a convenient 8 1/2 x 11 size.

Coaching Students with Executive Skills Challenges Peg Dawson, Richard Guare, 2023-05-24 This manual presents an evidence-based coaching model for helping students whose academic performance is suffering due to deficits in executive skills, including time and task management, planning, organization, impulse control, and emotional regulation. In just a few minutes a day, coaches can provide crucial support and instruction tailored to individual students' needs. From leading experts, the book provides detailed guidelines for incorporating coaching into a response to intervention framework, identifying students who can benefit, conducting each session, and monitoring progress. Special topics include how to implement a classwide peer coaching program.

Executive Skills in Children and Adolescents Peg Dawson, Richard Guare, 2018-06-13 More than 100,000 school practitioners and teachers K-12 have benefited from the step-by-step guidelines and practical tools in this influential go-to resource, now revised and expanded with six new chapters. The third edition presents effective ways to assess students' strengths and weaknesses, create supportive instructional environments, and promote specific skills such as organization, time management, sustained attention, and emotional control. Strategies for individualized and classwide intervention are illustrated with vivid examples and sample scripts. In a large size format for easy photocopying, the book includes 38 reproducible forms and handouts. Purchasers get access to a webpage where they can download and print the reproducible materials. New to This Edition: Chapter with guidance and caveats for developing individual education programs (IEPs), 504 Plans, and multi-tiered systems of support (MTSS); Chapters on working with students with attention deficit hyperactivity disorder (ADHD) and autism spectrum disorder; Three guest-authored chapters describing exemplary schoolwide applications; More student-centered
