The Wounded Heart Notes:

Devotions for the Wounded Heart Dennis Cory, 2011-01-25 When Jesus Christ began His earthly ministry He first went out and got baptised and was then lead of the Holy Spirit into the wilderness and there was tempted of the devil Then in the power of the Spirit He began teaching in the synagogues When He came to His home town of Nazareth and went to church on the sabbath and stood up to read The elders delivered the book of Isaiah to Him and He opened the book to the place where He read these words The Spirit of the Lord is upon me because he hath anointed me to preach the gospel to the poor he hath sent me to heal the brokenhearted to preach deliverance to the captives and recovering of sight to the blind to set at liberty them that are bruised To preach the acceptable year of the Lord Luke 4 18 19 KJV Jesus chose this passage of scripture because it was known to be a prophecy of the coming Messiah and it is a concise outline of the purpose and ministry calling of our Lord The Holy Spirit living in the hearts of every born again Christian is working to fulfill this scripture for us all Jesus Christ by The Spirit is also drawing all people to Him for their salvation through the measure of faith which our loving Father God has given to every person It is will of God that no human being perish but that everyone would come to repentance It is therefore His will that we all hear and respond to the gospel That our broken hearts be healed that the chains of our captive bondage be broken our physical and spiritual eyes be opened and every bruise and wound we carry be healed That is the Theme Calling and Purpose by which this Daily Devotional has been inspired to be written The Word of God is clear in that our Heavenly Father wants all people to accept His salvation but just as true He wants all to be healed and delivered It is my prayer that this Devotional will be used of The Lord to help accomplish this work in your lives

In Adam's Fall Ian A. McFarland, 2011-06-24 IN ADAM'S FALL Few doctrines of Christian teaching are more controversial than original sin For how is it possible to affirm the universality of sin without losing sight of the distinct ways in which individuals are both responsible for and suffer the consequences of sinful behavior In considering the Christian doctrine of original sin McFarland challenges many prevailing views about it He shows us that traditional Christian convictions regarding humanity's congenital sinfulness neither undermine the moral accountability of sin's perpetrators nor dampen concern for its victims Responding to both historic and contemporary criticism of the doctrine In Adam's Fall reveals

how the concept of original sin is not only theologically defensible but stimulating and productive for a life of faith Drawing on both the classical formulations of Augustine and the Christology of Maximus the Confessor McFarland proposes a radical reconstruction of the doctrine of original sin one that not only challenges contemporary Western visions of human autonomy but emphasizes the integrity of each individual called by God to a unique and irreplaceable destiny Engagingly written and infused with scholarly sophistication In Adam s Fall offers refreshingly original insights into the contemporary relevance of a doctrine of Christian teaching that has inspired fierce debate for over 1 500 years Brushworks Clayton Cameron,2003 Skole for trommes t spillet med viskere *The Holy Bible* ,1861 Book VIII.
