The Writers Presence A Pool Of Readings:

The Writer's Presence Donald McQuade, Robert Atwan, 2000-01-01 *The Writer's Presence 6th Ed + Compclass for the Everyday Writer 4th Ed* Donald McQuade, Robert Atwan, Andrea A. Lunsford, 2010-12-06 The readings in The Writer's Presence are selected exclusively for the quality of the writing. Editors Donald McQuade of the University of California Berkeley and Robert Atwan, Series Editor of The Best American Essays, scoured hundreds of essays in search of teachable readings with strong voices and clear points of view. The result is a blend of classic pieces by favorites like James Baldwin, Annie Dillard, and Amy Tan, and fresh pieces by rising stars like Michael Pollan, Geeta Kothari, James McBride, and Daniel Harris. The voices in The Writer's Presence represent different communities, time periods, levels of difficulty, and fields of study, and the topics intersect in intriguing and nuanced ways, giving students the opportunity to think critically and develop their own voices. Organized by type of writing and with minimal apparatus, The Writer's Presence gives instructors unsurpassed teaching flexibility. With so many exceptional readings and so many ways to teach them, the possibilities are endless.

Writer's Presence Donald McQuade, Robert Atwan, 2009 **Writers Presence** Donald McQuade, Robert Atwan, 2003-01-01 Each of the 123 essays, ten short stories, and 24 interviews in The Writer's Presence offers a strong example of a unique writer's voice or presence, a quality most instructors try to cultivate in their students' writing. Arranged alphabetically by author and by types of writing (informal expression, the personal essay, expository essay, argumentative essay, and fiction), the selections offer instructors a generous pool of memorable readings presented in a way that allows for a wide variety of approaches. A thematic table of contents at the front of the book demonstrates both the range of disciplines covered by the essays and the many connections to be made among them.

The Writer's Presence Donald McQuade, Robert Atwan, 1994-01-01 Each of the 78 essays in this collection features the distinctive intellectual signature that marks all memorable writing: the presence of a lively mind at work. The essays are divided into three parts by type: personal, expository, and persuasive, and are arranged alphabetically within each part. This arrangement makes them easily retrievable and assignable in an unlimited number of ways without imposing a context within which they must be read. Classes can skip around the book unencumbered by top-heavy apparatus; use the selections to focus on different modes of writing; or do some of each. Back cover.
