Stalin Abraham Ascher,2016-11-03 Joseph Stalin began life as a frail child with an abusive father and an inferiority complex This triggered an early desire for greatness and respect that would eventually turn the young Bolshevik idealist into one of the most ruthless dictators in modern history Like his contemporary Adolf Hitler Stalin was responsible for millions of deaths and inflicted barbaric cruelty on the Soviet people But while Hitler is readily portrayed as a monster Stalin has not been subjected to quite the same level of vitriol In Stalin A Beginner s Guide renowned historian Abraham Ascher analyses new and old sources separating truths from falsehoods to present an unvarnished portrait of the Soviet leader

Justice Raymond Wacks,2017-02-02 In this highly topical introduction Professor Raymond Wacks explains and evaluates the leading theories of justice that have shaped our societies and their legislative and judicial systems and explores the extent to which fundamental notions like fairness equality and freedom are reflected in contemporary society By analysing some of the world s most pressing challenges including terrorism corruption and migration Justice A Beginner s Guide shows how these ideas are applied in practice and how far we still have to go to achieve social justice

Imperial China Peter Lorge,2021-07-01 In 221 BCE the Qin state conquered its neighbours and created the first unified Chinese empire in history So began the imperial era where dynasties claiming divine assent ruled for more than 2 000 years Borders shifted and emperors struggled to exert control over every region of their diverse territories Elites held that they were inheritors of a rich pre imperial

culture while their society produced world changing inventions such as the compass printing gunpowder and the gun And imperial China itself was altered as it came into contact with others through trade exploration and war For anyone curious about this fascinating period Peter Lorge introduces imperial China s major ruling dynasties religions arts thinkers inventions military advancements economic developments and historians

The Middle East Philip Robins,2016-09-01 The wave of popular uprisings that swept through the Middle East promised to pave the way for democracy It brought down dictators and captured the popular imagination but for most of the region peace and stability remain as elusive today as they have ever been In this fully revised introduction Oxford University s Philip Robins takes a close look at the issues plaguing the region With each chapter focusing on a key theme Robins weaves together the disparate countries into a coherent and entertaining narrative From leadership and gender to religion and society *The Middle East A Beginner s Guide* is replete with case studies astute analysis profiles of key personalities and even jokes from the region There is no better resource for understanding the Middle East both past and present

British Politics Richard S. Grayson,2016-04-07 No one saw it coming No pundit no pollster and no political leader predicted David Cameron s Conservative Party would win a majority of seats in Parliament and his three main opponents would resign as party leaders The consequences of the coalition also became clear as the Liberal Democrats fell dramatically from grace and lost their spot as Britain s third party And despite Scotland voting NO to independence in 2014 the election result also threatens the Union with the Scottish National Party winning all but three of the country s seats In this timely edition Richard S Grayson analyses Britain s changing political landscape and explores the role of the media the European Union and the UK s special relationship with the US Thorough and incisive *British Politics A Beginner s Guide* is the perfect introduction to the structure parties and personalities of British Government today

Shi'i Islam Moojan Momen,2015-11-05 From infallible Imams to Ayatollahs in Iran Shi ism has long been a prominent if misunderstood branch of Islam It regards Ali Muhammad s son in law as the Prophet s legitimate successor But theological differences between the Shi ah and Sunni Muslims have led to sectarian violence massacres and the desecration of holy sites In this *Beginner s Guide* Dr Moojan Momen offers an accessible and comprehensive overview of Shi ism tracing the history of the community its leadership and doctrines from its inception to modern times Packed with useful tables family trees and text boxes this engaging and up to date guide is a perfect introduction to the historical and geopolitical causes of religious tensions still troubling the Middle East today

Oil Vaclav Smil,2017-11-02 World acclaimed scientist Vaclav Smil reveals everything there is to know about nature s most sought after resource Oil is the lifeblood of the modern world Without it there would be no planes no plastic no exotic produce and a global political landscape few would recognise Humanity s dependence upon oil looks set to continue for decades to come but what is it Fully updated and packed with fascinating facts to fuel dinner party debate Professor Vaclav Smil s *Oil A Beginner s Guide* explains all matters related to the black stuff from its discovery in the earth right through to the controversy that surrounds it today
