Theater in a Crowded Fire Lee Gilmore, 2010 Accompanying DVD provides dramatic views into the varieties of spirituality ritual and performance conducted within the festival space **Theater in a Crowded Fire: DVD** Lee Gilmore, 2010 *Theater in a Crowded Fire* Lee Gilmore, 2010 **The Emerging Church, Millennials, and Religion: Volume 2** Terry Shoemaker, Rachel C. Schneider, Xochitl Alvizo, 2022-03-01 Millennials and progressive Christians are continuing their work of creating alternative spaces for spiritual and religious expressions in North America The practices and beliefs of progressive Christian movements like the emerging church and millennials who tend toward spirituality over and against religion have been the targets of much criticism Yet millennials and progressive Christians continue to both curate spaces for self and collective expression while also engaging within contexts often critical or hostile This collection analyzes these movements from theological religious studies and social scientific perspectives to provide a more holistic view of what is taking shape in religious and spiritual trends and it ventures to project what may lie ahead for the progressive Christianity that is emerging and enduring **Bloomsbury Handbook of Religious Ecstasy** Alison Marshall, Rubina Ramji, Michael Wilkinson, 2025-03-20 Why do people seek a connection to something beyond the social dimensions of the world Ecstatic experiences are often labelled religious spiritual mystical or even sacred However ecstasy is not just extraordinary for many people throughout the world it is an ordinary part of daily life The Handbook highlights the diverse individuals who have experienced ecstasy in the past and present from ordinary people to mystics pastors healers spirit mediums and urban neo therapeutic shamans Chapters show that ecstasy may be experienced during trance possession prayer and even through the use of drugs such as soma peyote ayahuasca ibogaine mushrooms LSD and other substances While institutional expressions of religion may be on the decline experiences of religious ecstasy and interactions among living people and gods saints angels and demons individually and collectively are happening everywhere occurring at home online in the community and through prayer dance song possession and the ingestion of drugs Ecstatic religious experience as this handbook shows provides meaning belonging and for some profit in the late capitalist marketplace **Activating the Inanimate: Visual Vocabularies of Performance Practice** Celia Morgan, Filipa Malva, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 The dynamic exchange of perspectives that constituted the 2nd Global Conference of Performance Visual Aspects of Performance Practice demonstrated that the foundational concept of the project is a vibrant platform for sharing and extending ideas within all aspects of scenographic practice in performance This volume is a compilation of papers that formed the basic structure of that conference The first four chapters present a developing schema of visual languages within theatre From Beckett Ibsen Svoboda to Wilson they navigate the symbolic and visual prioritizing of postdramatic scenographic forms Part 2 reconsiders the predetermined divisions that deflate experiential encounters with the inanimate Dance puppetry and slapstick provide examples of interaction between performers and their environment Part

3 addresses various renderings of design processes exploring the role of drawing fabric and body in creating a narrative Part 4 negotiates the sensitive interface between public and performance while looking at the Burning Man Festival flash mobs and opera media casting The final chapters represent a global collective of process strategies that confront the production and methodologies of meaning They engage with cultural presumptions and subjectivities in post Cultural Revolution China Spanish flamenco American Indian post colonial resistances and the traditions of Australian Aboriginal artists Wilderness and the American Spirit Ruby McConnell,2024-03-19 Wilderness and the American Spirit is a gripping exploration of the American spirit and our relationship to the environment that blends science history cultural criticism and storytelling through the myths and stories of the American West along the Applegate Trail The book tells a story of expansion of a nation across the continent illuminating the path we took to arrive here in the 21st century at the forward edge of environmental catastrophe and consequence Told through stories of the first American emigrants who traveled west to the present day These are stories of consumption wealth and power that illuminate the American relationship to the environment and this storytelling model is a basis for new environmental thinking *On the Road to Being There* William H. Swatos (Jr.),2006 This volume consists of a collection of twelve empirical studies addressing theoretical and practical issues relating to pilgrimage and tourism activities particularly assessing the ways in which religious expressions have changed as a result of the technological and social changes of late modernity that affect human behavior in a more general sense *Theater in a Crowded Fire* Lee Gilmore,2010-06-08 Every summer thousands gather from around the world in the blistering heat of Nevada s Black Rock Desert for the seven day celebration of art community and fire known as Burning Man Culminating in the spectacular incineration of a wooden effigy this festival is grand scale theater for self expression personal transformation eclectic spirituality communal bonding and cultural renewal In this engrossing ethnography of the Burning Man phenomenon Lee Gilmore explores why burners come in vast numbers to transform a temporary gathering of strangers into an enduring community Accompanied by a DVD which provides panoramic views of events individuals artworks and of course the climactic final night the book delves into the varieties of spirituality ritual and performance conducted within the festival space **Muse of Fire** Julie Noelle Chase,2001 Fire in a Crowded Theater John Daniels,2003 **Ceremony, Spirituality, and Ritual in Native American Performance** Hanay Geiogamah,2011 Drama Native American Studies Performing Arts Approaching Native American theater as ceremonial performance comprised of centuries old tribal traditions and aesthetic concepts Hanay Geiogamah combines his thirty five years of creative and experimental work and research in Native theater to illuminate the elements of myth spirituality and ceremony and their integration into dramatic performances Specific observations on how ritual is constructed and activated are presented along with selected examples of the process from recent native theater works Other topics include spirituality as the basis for dramatic text the techniques of the shaman as director and the creative process of integration
