Excerpt from Motion Picture Theater Management When I speak of the motion picture as something new I am not unmindful of the fact that it has already had a history of one generation In thirty years thousands of ventures have had ample time to accumulate and exchange a vast fund of knowledge The brevity of time has been matched by the strides of progress In other words we have arrived at a definite stage in our work Looking backward we discern certain unmistakable classifications in various directions No one has yet gathered these into one group under one cover Hence this book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the
