and more than 210 illustrations and charts size 8 25 x 10 75 inches This publication is a reproduction of the March 1984
second publication of the May 1982 Triumph factory workshop manual part number 99 7059 It also includes the May 1983
supplement 99 7089 for the 8 valve T140W TSS This manual is applicable to all 1979 to 1983 750cc UK General Export and
USA models including the T140E Bonneville T140E 2 Bonneville T140E S Electro Bonneville TR7 Tiger TR7T Tiger Trail and
the 650cc TR65 Thunderbird 650 The supplement extends the coverage to include the 8 valve 1982 to 1983 750cc TSS and
TSX models Obviously this manual will also be of use to owners of the 1985 1988 T140 Devon Bonneville Unfortunately
Triumph was in deep financial trouble by mid 1982 and it is obvious that they were doing everything they could to cut costs
Consequently the print quality of these later Triumph factory manuals was somewhat compromised by the re use of images
and text from earlier manuals This re use is apparent in this manual as the quality of the images and the density of the text
varies within the page and or from one page to another While we have done our best to normalize the print density there will
still be variations that were just too difficult to correct Yet another issue associated with the mounting financial problems was
the apparent scramble to introduce new models or variants of existing models in order to encourage buyers This resulted in a
proliferation of model numbers a list of some but likely not all of those variants is included below 1979 T140E TR7V T140D

appropriate selection of the multitude of originals and reprints of the various manuals that have recently flooded the
marketplace We encourage you to exercise caution when purchasing a manual for your motorcycle or automobile as many of
the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no
idea what they are selling Many are nothing more than poor quality comb bound photocopies that are scanned and printed
complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished
In addition they are often advertised for the incorrect series and or model years Owners of the 1973 to 1978 750cc machines
