Understanding Islam A Guide For The Judaeo Christian Reader:

Understanding Islam Jerald Dirks, 2003 In *Understanding Islam* Dr Dirks offers a timely and factually correct alternative to understanding Islam It is written for the Western and primarily Christian reader The primary focus of the Book is on what is termed Sunni Islam i e the Islam practiced by approximately 85-90% of the self-professed Muslims in the world The Book is unique in several respects It treats Islam from its own point of view It is written by a natural born American for the Western reader and thus may avoid some of the cultural overlay that accompanies some books on Islam written by other Muslim authors The author is an American who has practiced Islam both while living in America and in the Middle East thus offering a broader perspective than would have otherwise been possible As a convert from Christianity to Islam and as a former ordained minister within Christianity the author does a very good job of expounding the commonalities and contrasts of Islam with Judaism and Christianity while still avoiding the temptation to distort Islam by interpreting it from within a Judaeo Christian perspective The reader is introduced to Islam almost exclusively through the two primary sources of Islam i e the Qur'an and the Sunnah which are the only completely authoritative sources on Islam The Bible and the Qur'an at the Edge of Renaissance Linda Lham Barto, 2009 Appreciative exploration of the Jewish Bible the New Testament and the Qur'an and how their consonant attributes can be utilized for a global renaissance of peace and prosperity t p verso
