*Understanding the U.S. Wars in Iraq and Afghanistan* Beth L. Bailey, 2015      *Understanding U.S. Military Conflicts through Primary Sources* James R. Arnold, Roberta Wiener, 2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards      *The Middle East and American National Security* Donald M. Snow, 2021-07-30 As a new administration reshapes American security policy a leading scholar of U S foreign relations and national security reviews the most critical problems facing the Middle East and the United States policy and actions to address them

*Understanding War in Afghanistan* Joseph J. Collins, 2011 This text aims to provide military leaders civil servants diplomats and students with the intellectual basis that they need to begin to prepare for further study of or an assignment in Afghanistan      ***Gender, Orientalism, and the 'War on Terror'*** Maryam Khalid, 2017-06-26 This book offers an accessible and timely analysis of the War on Terror based on an innovative approach to a broad range of theoretical and empirical research It uses gendered orientalism as a lens through which to read the relationship between the George W Bush administration gendered and racialized military intervention and global politics Khalid argues that legitimacy power and authority in global politics and the War on Terror specifically are discursively constructed through representations that are gendered and racialized and often orientalist Looking at the ways in which official US War on Terror discourse enabled military intervention into Afghanistan and Iraq the book takes a postcolonial feminist approach to broaden the scope of critical analyses of the War on Terror and reflect on the gendered and racial underpinnings of key relations of power within contemporary global politics This book is a unique innovative and significant analysis of the operation of race orientalism and gender in global politics and the War on Terror specifically It will be of great interest to scholars and graduates interested in gender politics development humanitarian intervention international global relations Middle East politics security and US

foreign policy     **Information at War** Philip Seib, 2021-06-30 A war's outcome is determined by more than bullets and bombs. In our digital age the proliferation of new media venues has magnified the importance of information whether its content is true or purposely false in battling an enemy and defending the public. In this book Philip Seib one of the world's leading experts on media and war offers a probing analysis of the role of information in warfare from the Second World War to the present day and beyond. He focuses on some of the thorniest issues on the contemporary agenda. When untruthful and inflammatory information poisons a nation's political processes and weakens its social fabric what kind of response is appropriate? How can media literacy help citizens defend themselves against information warfare? Should militaries place greater emphasis on crippling their adversaries with information rather than kinetic force? Well written and wide ranging. **Information at War** suggests answers to key questions with which governments, journalists and the public must grapple during the years ahead. **Information at war** affects us all and this book shows us how     **America's Modern Wars** Christopher A. Lawrence, 2015 While the past half century has seen no diminution in the valor and fighting skill of the U.S. military and its allies the fact remains that our wars have become more protracted with decisive results more elusive. This fascinating book takes a ground up look at the problem in order to assess how our strategic objectives have recently become divor     **Afghanistan in Transition** Rajen Harshé, Dhananjay Tripathi, 2024-12-04 Owing to its geo strategic location and mineral wealth Afghanistan has acquired significance in the inter state politics of Asia as well as world politics during the past decades. This book discusses the Taliban's return which outlines the recent and current developments in contemporary Afghanistan. The essays in this volume locate Afghanistan under globalisation and reflect on the state and nation building efforts in Afghanistan by shedding light on the status of citizens especially women. Analyse how the Taliban survived in all these years and how it returned to power. Examine Afghanistan's relations with major powers like the USA, China and India and explore the intricacies of ties between India, Pakistan and Afghanistan within the Indian subcontinent. Shedding light on a threshold moment in 21st Century world politics this work will be useful to scholars and researchers in political science, international relations, sociology, area studies and the interested general reader     **U.S. Conflicts in the 21st Century [3 Volumes]** Spencer C. Tucker, Paul G. Pierpaoli (Jr.), 2015-12-14 This three volume reference work provides an up to date presentation and analysis of the U.S. wars of the 21st century addressing their backgrounds, causes, courses and consequences. It serves as an indispensable resource for students seeking to understand the role of the United States in the world today. Provides up to date information on America's ongoing military conflicts and clear explanations of how these wars came about and the shifts in policy thereafter. Supplies comprehensive coverage detailing social, political, cultural, religious, ethnic and military aspects of the 21st century wars. Includes dozens of primary documents that are essential to understanding the events that have occurred, provide context to the text and allow readers to examine the original sources of information directly. Identifies the key individuals and factors in strategic planning. Presents full information on the terror

attacks visited on the United States and its key allies as well as the U S response to them Amazon com **Planning to Fail** James H. Lebovic,2019-03-07 The United States national security establishment is vast yet the United States has failed to meet its initial objectives in almost every one of its major post World War II conflicts Of these troubled efforts the US wars in Vietnam 1965 73 Iraq 2003 11 and Afghanistan 2001 present stand out for their endurance resource investment human cost and miscalculated decisions Because overarching policy goals are distant and open to interpretation policymakers ground their decisions in the immediate world of short term objectives salient tasks policy constraints and fixed time schedules As a consequence they exaggerate the benefits of their preferred policies ignore the accompanying costs and requirements and underappreciate the benefits of alternatives In **Planning to Fail** James H Lebovic argues that a profound myopia helps explain US decision making failures In each of the wars explored in this book he identifies four stages of intervention First and foremost policymakers chose unwisely to go to war After the fighting began they inadvisably sought to extend or expand the mission Next they pursued the mission in abbreviated form to suboptimal effect Finally they adapted the mission to exit from the conflict Lebovic argues that US leaders were effectively planning to fail whatever their hopes and thoughts were at the time the intervention began Decision makers struggled less than they should have even when conditions allowed for good choices Then when conditions on the ground left them with only bad choices they struggled furiously and more than could ever matter Policymakers allowed these wars to sap available capabilities push US forces to the breaking point and exhaust public support They finally settled for terms of departure that they or their predecessors would have rejected at the start of these conflicts Offering a far ranging and detailed analysis this book identifies an unmistakable pattern of failure and highlights lessons we can learn from it **Understanding Al Qaeda** Mohammad-Mahmoud Mohamedou,2007 Investigates the 20 year history of Al Qaeda and examines how Western governments can help end the violence **Understanding Media in the Digital Age** Everette E. Dennis,Melvin Lawrence DeFleur,2010 Written by two of the field s most eminent experts this exciting new introduction to mass media makes connections between communication research and the reality of the media industry **Understanding Media in the Digital Age** shows readers how to navigate the world of traditional and new media while fostering an understanding of mass communication theory history active research findings and professional experience **Rumsfeld's Wars** Dale Roy Herspring,2008 A highly critical but nonpartisan assessment of the controversial former Defense Secretary as told by one of the leading experts on civil military relations Focuses on Rumsfeld s notoriously domineering leadership style flawed vision for transforming the military and failures in the Iraq War **Proceedings of the United States Naval Institute** United States Naval Institute,2012-07 *The Mirror Test* J.
