Unequally Yoked How To Preserve The Restoration And Still Save Your Marriage:

Unequally Yoked: How to Preserve the Restoration and Still Save Your Marriage Bret Corbridge, 2015-05-04 In Mormonism today there exists a growing number of LDS couples who find themselves in a complicated situation Generally speaking these men and women have been married in the temple are active in the church and are working to raise children in this dark and difficult world Although every story is unique the basic challenge these couples face is similar One spouse and it can be either the husband or the wife determines to search deeper into the Gospel of Jesus Christ and the glories of the Kingdom D C 42 61 He or she studies scripture and then compares the holy word of God to what the LDS Church is currently teaching This comparison results in a spiritual awakening where the growing member realizes just how much light and truth has been lost since the death of the Prophet Joseph Smith They may then try to share their new perspective with those they love but often find that the other does not appreciate their new understanding and instead would rather stay in the religious traditions passed down by the fathers D C 93 39 To assist these couples in working through spiritual differences a twelve step program is provided here in this text *Forgiving What the World Says You Shouldn't* Kallist Cazares, 2025-04-10 Every woman affected by betrayal wants freedom from painful intrusive memories and to get help navigating their marriage The problem is in a world that worships fleeting emotions it's easy to believe that the only way through infidelity is to leave Or if they choose to stay they become a prisoner of fear and anger resulting in bitterness However as Christians we are called to a higher standard in our marriages one of holiness Yes even the unequally yoked ones When we embrace God's transformative power instead of indulging in detrimental emotions or acts he refines and sanctifies us our unsaved spouses and marriages Kallista Sanchez helps uncover unpopular opinions and often overlooked truths on what God thinks about forgiving sexual betrayal When we consider that he may want us to keep our covenant obedience is the door to blessing What's more forgiveness isn't about erasing the pain but allowing trials to become a catalyst for growth and redemption **Unyoked** Edie Jean Burnside-Edwards, 2010-06-17 This book is an extension to my first book *Below the Line* published 2007 This book *Unyoked* will give spiritual information to those who really want to know how to withstand and unequally yoked marriage how to make their marriage work I believe the Heavenly Father gave me spiritual information and a message for anyone who has married an unequally yoked mate Sometimes we may find ourselves unyoked in marriages We find ourselves asking God to forgive us for making bad choices While it may be true being married to an unequally yoked spouse may force one to divorce court because of emotional or physical abuse The Bible gives us a guideline as to how to prevent divorce This book will offer you spiritual information with scriptures to mediate on daily In addition you will read how to stay married to an unequally yoked mate with God's help Focus studying your Bible and learn how to follow God's principles This requires work My message in this book is that we must watch God's plan completed through man and woman of one flesh God uses us through our trials and tribulations These trials and tribulations are only temporary Learn how to

develop unconditional love for each other in spite of unequally yoked marriages I have experienced being married to an unequally yoked mate and it is not easy I have spent many hours searching the Holy Scriptures for guidance I have spoken with other couples who are or have experience this most dangerous journey in their marriages My day by day experiences were very rewarding because I know now that God still loves me even after I disobeyed Him and married someone who is unyoked I pray that my message from this book encourage others Remember there is a blessing in all that God has permitted in our lives He is all knowing God He knew what was going to transpire in our lives even before we were born Try to be yoke and not unyoked God Bless *Open Heavens 2012* Enoch Adeboye,2012 Before you lies yet another year filled with 366 opportunities to discover God s powerful presence in your life Wake up from your spiritual sleep Get up and get going God wants to show you the way Spend time with the Lord and He will draw near to you Pray down His power on you as an individual and on the body of Christ and prepare to experience the fulfillment of His promises a force far greater than any of your problems Break the bonds of sin Live a life of love His plan for you is perfect He longs to make you pure He asks only for your willingness and obedience and offers you abundant blessing The road may be rocky but God is the steadfast Rock you can hold onto Trust Him to teach you Apply the principles in *Open Heavens* in your life and discover the exhilaration of life in God s Kingdom *Open Heavens A DEVOTIONAL PRACTICAL AND RELEVANT FOR OUR TIME* Enoch A Adeboye **The Itinerant** D G Bryant,2022-11-03 The *Itinerant* On Restoration Revival and Redemption is a story of wisdom and folly wisdom being preferable to seeking pleasure The work is not just a story but a study on life experiences good bad useful and useless It is a definitive work describing the benefits of seeking wisdom and knowledge and developing a healthy fear of the Lord seeking his wisdom strength and glory rather than seeking pleasure that ultimately leads to dead ends often leaving one with a bitter taste and a feeling of emptiness The work describes what restoration revival and redemption are and what they are not This work takes a good long look at all sides of life all types of fools and how to avoid fools and foolishness that more often than not just lead to destruction So if you are reading this blurb and getting ready to read this book get ready for an adventurous ecclesiastical journey and hopefully if you do not already know you will before you are done that as a believer in Christ Jesus you are not a physical being on a spiritual journey in this world but you are a spirit being on a physical journey
