Unholy Allegiances Heeding Revelations Warning:

Unholy Allegiances David A. deSilva, 2013 What if the Book of Revelation Isn't a Play Book for the End Times What if it Isn't a Fanciful Speculative Letter to be Decoded What if the Author Actually had a true and Relevant Message for the Church Amidst the fervor for popular apocalyptic books and unfounded end times theology New Testament scholar David A deSilva has written a book to help readers thoughtfully and properly approach Revelation as it was intended to be read In a masterful treatise deSilva explores the world of first century Roman Asia the context in which Revelation was written explaining why John wrote such a graphic and startling message to the people of God While many books today offer innovative decodings of Revelation deSilva reminds us that John's letter is in fact not a historical blueprint for prophecy and prognostication but a letter about the dangers that the church faced under the rule of Rome following the resurrection of Jesus a warning that is as apt today as it was almost two thousand years ago The true power of the book of Revelation is not in a mystical unfolding of the future but in its confrontation with the unholy allegiances already at work in the world It's time to pay attention without playing endgames It's time to take Revelation seriously **John 17 and the Power of Prayer**

Judith A Diehl, 2023-06-12 What is the power of prayer It is easy not to even think about prayer until trauma happens Everything seems to be going very well until we slip and fall Life is filled with beauty and joy until it isn't Then is God listening Silence is deafening and the lack of communication is frightening Many people know the familiar Lord's Prayer found in Matthew's Gospel and for good reason Some of us memorized it in our childhood But actually we may know little about prayer or we have tried to avoid it altogether Within varied denominations and customs people have rituals and practices about prayer that are deeply ingrained Some are very helpful but some do not raise prayer above a mysterious obligation and a duty Sadly perhaps we have lost our prayer innocence with time traditions and the painful experiences of life This book is a focus on unusual names or titles for God on the lips of Jesus in John's Gospel Names reveal identity who is God who is Jesus and who is the Holy Spirit A better understanding of God can have a profound effect on one's prayer life Knowing God is the power of prayer it can move us from obligation to love There are numerous books on effective or successful prayer in the religious section of the bookstore or on the internet This is not one of those books It is not about how to pray but it is a book about the One to whom we pray Life is a rocky craggy trail and we all need dependable available help when we slip and fall Then we can lift our hearts and thank Someone who loves us That is the power of prayer Reading the Book of Revelation Alexander Stewart, 2021-12-01 How to read Revelation rightly Let's face it the book of Revelation is difficult to read Many neglect it leaving it to the experts or the obsessed Others fixate on the details focusing on current events but missing Christ in the process But Revelation promises a blessing on all who read it Why is it so hard to understand In *Reading the Book of Revelation* Alexander E Stewart offers five simple keys that unlock this difficult book He then illustrates their profit in explaining Revelation chapter by chapter and provides recommendations for further study With this

short and accessible guide readers will see how Revelation is approachable applicable to their lives and glorifying to Christ

The Nonviolent Apocalypse Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world

A Theology of Revelation J. Scott Duvall, 2025-03-25 A Theology of Revelation by J Scott Duvall in Zondervan's Biblical Theology of the New Testament series provides a comprehensive look at the theology of John's Apocalypse One of only a few dedicated theologies of Revelation Duvall's book leaves no stone unturned in the study of the final book of the Christian canon of Scripture This thoroughly researched study includes an investigation into the historical framework of the book authorship date and occasion and purpose a survey of literary theological foundations genre text and canonicity grammar and symbolic language use of the Old Testament literary structure and interpretation and a full literary theological reading of the book culminating in an exploration of the book's most significant theological themes God Jesus Christ the Holy Spirit the people of God worship discipleship salvation God's judgment of evil and the new creation Readers will find here a study that is clearly written attentive to the historical literary context with special attention given to the primary theological themes in the book Perhaps above all readers will have their hope in God and his amazing plan reinforced and strengthened

Dispensationalism Brian P. Irwin, 2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In *After Dispensationalism* Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God's people

depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God's people This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others Each episode connects to an aspect of this covenant relationship which is summarized in the heading of each participant guide LIFE AS WE ALL KNOW TOO WELL IS IMPERFECT Difficulties are inevitable That's why the final eight weeks Trusting the Covenant looks at the crises that sometimes call covenant life into question and how we are restored to trust in God when troubling things happen This module discusses the loss of hope and how it is restored by faithfulness in the midst of suffering From the story of Job to the Hebrew exile to the apocalyptic visions in Daniel and Revelation we learn how faithful love is at work in everything to restore hope freedom and wholeness to our lives Each participant in the group needs the Participant Guides and a Bible The CEB Study Bible is preferred The Trusting Participant Guide is 8 weeks long and has a lay flat binding making it easy to take notes in the generous space provided on each page The Trusting Participant Guide contains the following episodes Episode 17 John 1 2 and 3 John For John the God we meet in Jesus is the one who keeps coming into the world going out of the way to be in relationship with us Jesus meets his followers in whatever ways they need with new and abundant life Jesus draws people back into community and promises the Holy Spirit to those who follow him Episode 18 Psalms Psalms are songs poems and prayers to and about God There is diversity of authorship across the Psalms Three major types of psalms are laments thanksgiving psalms and psalms of praise The psalms are user friendly and give voice to our conflicts confessions and cries for God's rescuing help The Psalms teach us how to pray and that God's primary character trait is faithful love Episode 19 Job Like the Bible as a whole the book of Job offers a number of voices or perspectives Job stages difficult human questions such as Why do human beings worship God or Why do people suffer and even what is God's role in suffering The book of Job also asks Does good behavior bring blessing and Does bad behavior bring curse and suffering Episode 20 Jeremiah Lamentations Ezekiel Jeremiah Lamentations and Ezekiel offer three different perspectives on the same catastrophic event the Babylonian destruction of Jerusalem in 587 CE and the exile of God's people to a foreign land These books affirm the power of lingering with sorrow so we can hear the voices of those who are suffering Any hope found in these books remains in the promise that God will bring life to dry bones or write a new covenant on hearts in a blessed but distant future Episode 21 Isaiah 40 66 The story of how Israel gained and lost the land becomes a treasure that they carry with them into exile The poetry in these passages is written to inspire and invite God's homesick people in Babylon to become pioneers and return home to Israel The God of Israel is no regional deity but is the one and only God of all everywhere and all the time Through fire and water chaos and captivity the people called by God and redeemed by God also belong to God Episode 22 1 and 2 Chronicles Ezra Nehemiah The people returning home from exile in successive waves must rebuild their whole way of life Ezra and Nehemiah look at the practical need for city walls and a

center for worship The Chronicler stresses the importance of remembering our story in the right way in order to understand who we are in this new life The practices that sustained the people in exile will define a people who weren't old enough to remember life before exile Episode 23 Apocalyptic Daniel Apocalyptic literature is not primarily about future events It looks at traumatic events in the present and finds a divine plan at work By using vivid symbols and imagery the court tales and visions of Daniel stress that God ultimately controls human events The identity of faithful people is defined by living faithfully according to the covenant teachings in a context where those values are under threat Faith has its price but our hope in God empowers us to never give up Episode 24 Revelation Revelation is a book written for poor people struggling under great duress It uses vivid terrifying images to express God's unswerving faithfulness and the faithfulness of those who stand firm in the face of dehumanizing forces in the world The symbol of hope in Revelation is the new creation and loyal love between God and the faithful This symbol provides comfort courage and assurance that the one who made a covenant with all things at the very beginning will be with us at the end of all things More Questions Visit <http://covenantbiblestudy.com> for more information
