Pandemic Z 5 Ryan Casey, 2024-12-17 A broken world A relentless battle for survival Nine months ago a devastating virus ripped across the nation turning people into angry violent bloodthirsty infected Only the strongest and most resourceful survived those early days as society rapidly descended into chaos and order collapsed Now a group of those survivors find themselves in a dangerous and unpredictable world Ava a young girl searches for safety and meaning after a series of catastrophic losses Georgia finds herself driven by curiosity And another survivor assumed dead awakens to a whole new world of mystery But in this treacherous world the threats are never far behind From the relentless infected to the desperate and often ruthless survivors Do our survivors have what it takes Or will this broken world defeat them once

and for all Pandemic Z 5 Forsaken World is the latest entry in the gripping post apocalyptic series from Ryan Casey If you enjoyed Dead Days The Infected Chronicles and Surviving the Virus you will love this breathtaking new read from a master of the genre [Contagion Rising](#) Ryan Casey,2023-08-02 A relentless virus A battle for survival As the pandemic of rage tightens its deadly grip David and Keira have finally found each other United in their determination to survive they seek refuge in a crumbling world But Keira s promise to find Omar s daughter weighs heavily on her heart Keira must fulfill her pledge even if it means risking everything including her already strained relationship with her father Meanwhile Dwayne and Nisha have found an unexpected alliance in each other Dwayne haunted by a dark past is thrust into a new role of responsibility as he takes on the duty of protecting Nisha and helping her find her father Conflicted he must navigate the treacherous path of redemption while facing the horrors of the infected world In a twisted reunion Pete is back with his wife Helen but their encounter is far from the joyful embrace of loved ones Darkness has consumed Pete and his selfishness drives him further into the depths of depravity As the world crumbles around them just how far will Pete go to protect the woman he loves In the riveting second installment of The Infected Chronicles the fight for survival reaches new heights of intensity Brace yourself for heart stopping twists gripping moments of sacrifice and a dark exploration of humanity s capacity for both good and evil Will our protagonists strained bonds withstand the trials of this new world or will the haunting tragedy of their past drive them apart Discover a world where hope and horror collide and the unbreakable bonds of family and friendship are the only beacons of light in the encroaching night The Infected Chronicles continue and the battle for survival has never been more perilous

Pandemic: Beginnings Bobby Akart,2017-05-17 They attack with impunity and without prejudice Their goal to destroy you from within A merciless enemy just one billionth our size WELCOME TO THE NEXT GLOBAL WARA new dystopian post apocalyptic fiction series from author Bobby Akart The Blackout Series The Boston Brahmin series and the Prepping for Tomorrow series The events depicted in The Pandemic Series are fictional They are however based upon historical fact _____BEGINNINGS Terrorists kidnap and blackmail a young French scientist in Western Africa The outbreak of an ancient disease kills everyone in a village located in a remote jungle of Guatemala U S government operatives uncover a secret biological laboratory in Trinidad An isolated death at the hands of this killer virus is discovered in Greece Is there a connection or are these simply a string of coincidences Dr Mackenzie Hagan a highly educated well respected epidemiologist at the CDC Atlanta is called to Guatemala As the daughter of a retired Commanding General of the United States Army Medical Research Institute of Infectious Diseases Mac often says infectious disease is in her blood While no infectious disease outbreak is routine this particular hot zone in Guatemala has its own set of complications including a mysterious operative sent there by the Department of Defense Events unfold and Mac is sent around the world investigating new cases involving this same rare disease Nathan Hunter a covert operative within an off the books project for the DOD tracks down terrorists before they strike As Hunter unravels a villainous plot with tentacles

spanning the globe his investigative path crosses with Mac's Was it fate or something else Mac and Hunter work together to analyze the disease and to identify the source But they soon learn that the biggest challenge they'll face is right at home a government bureaucracy unwilling to sound the alarm to protect the nation As the disease spreads and the crisis escalates an army lurks in the shadows one blessed by Allah and prepared to wage the Final Jihad This series will be frighteningly realistic It is not intended to scare the wits out of you but it might just scare the wits into you Remember it could take just one cough one kiss or one touch to change not only your life but the lives of everyone around you forever This is an ingenious inventive thriller about the threats we face from a global pandemic and the use of infectious diseases by terrorists as they wage jihad around the world Drawing on his unique talent to place the reader in a post apocalyptic world Bobby Akart delivers an explosive page turner that has you wondering will there be a last patient Note The Pandemic Series does not contain strong language It is intended to entertain and inform audiences of all ages including teen and young adults Although some scenes depict the realistic threat our nation faces from a worldwide pandemic and the societal collapse which will result in the aftermath it does not contain graphic scenes typical of other books in the post apocalyptic genre I believe more of our young people need to lead a preparedness lifestyle Studies show that our millennials do not have any of the basic survival skills By writing this series free of vulgarities and gratuitous sexual innuendo I've intended it to be suitable for everyone Thanks

In book three of The Pandemic Series the pandemic has hit a brick wall but not because it's burned itself out Rather it's running out of victims Social distancing is the only way to avoid a gruesome fate Unfortunately in a dystopian world where resources are scarce and scavenging is a way of life every moment away from where you live could result in your death from either the disease or your fellow man The Outbreak Colin M. Drysdale, 2014-07

Starting in Glasgow this book weaves its tale of post apocalyptic survival into the varied landscapes and cultures of western Scotland ranging from bustling city streets to remote island communities With its evocative use of real locations on both land and sea and atmospheric depictions of the trials faced by those trying to survive as their world falls apart around them The Outbreak expands the new and unusual take on the traditional post apocalyptic genre first introduced by the same author in his much acclaimed debut novel For Those In Peril On The Sea While this is the second book in the For Those In Peril series it focuses on a different set of characters to those in the first However the characters from these two books will be united when their storylines finally collide in the third book in the series This is currently scheduled for release in the summer of 2015

From the back of the book He was only in the city to meet an old friend but within hours of his return Ben's running for his life As the world watches in horror Miami falls to the infected and with it America Britain seals its borders hoping to prevent the newly mutated Haitian Rabies Virus reaching its shores but it's too late somewhere in Glasgow is the man who started it all and coursing through his veins is the virus he accidentally created When he finally turns the city doesn't stand a chance Minutes later a small group of survivors find themselves trapped between the ever increasing hordes of infected and the soldiers seeking to contain them The roads are barricaded the skies patrolled and the only way out is the river which leads from the

heart of the city to the safety of the sea Join Ben Tom Daz Claire and Sophie as they flee from the infected first by land then by sea Where will they go How will they survive Only time will tell

The Zone R. W. Krpoun, 2014-09-27 A smooth clean read that takes the reader from normalcy to a full blown zombie apocalypse with understated drama fans of The Walking Dead take note this one is for you Trapped inside a government cordon with a city's worth of zombies lusting for his flesh Martin must survive locate his estranged family and deal with a stranger who claims to be an academic who knows a secret behind the outbreak The Zone is the story of Martin D Erin a medically retired Texas police officer struggling with loss and isolation who is caught up in a plague that turns a major city into a zombie madhouse Fast paced brutal and authentic The Zone begins with Martin's final bloody day as a police officer his partial recovery and the city's slide into a nightmare The outbreak catches the socially isolated Martin inside the Exclusion Zone established around the city and more importantly to Martin gives him a mission and a purpose Seeing an opportunity to regain a sense of who he was Martin aggressively takes action against the zombie like infected rallying with other survivors to save those who cannot extract themselves Martin's journeys through the ravaged city mirror his struggles with a deeply ingrained sense of self unquestioning nature and a drive to regain what he had lost The Zone is at its core a story about loss the power of hope and the values which will drive a man to risk his life Unusual in this genre The Zone takes the reader through the earliest onset of a zombie epidemic into its full blow outbreak in a vivid gritty style

Pandemic Z 2 Ryan Casey, 2024-09-03 As dawn breaks the nightmare continues Last night a devastating virus swept across the nation turning all infected into violent bloodthirsty maniacs Brian and a group of fellow survivors have found temporary refuge in a flat But the chaos outside is only just beginning And determined to reunite with his loved ones before it's too late Brian is forced to navigate a city spiraling out of control The military have been deployed Strict curfews are being enacted The streets are more dangerous than ever filled with desperate survivors and opportunistic looters And as the virus spreads like wildfire and the violence sinks to depraved new depths Brian faces a relentless barrage of threats from all sides In this terrifying new world Brian must summon every ounce of courage to survive to find his loved ones and to protect his new companions Can he protect those he cares about Or will the virus consume everything he holds dear Pandemic Z is a gripping and electrifying post apocalyptic saga from the acclaimed author of The Infected Chronicles and Dead Days Dive into a relentless thrill ride where every decision is a matter of life and death and discover what it takes to survive when civilization falls apart
