The Worlds We Make The Fallen World Trilogy Reader:

The Fallen World Megan Crewe, 2022-03-29 It starts with an itch you just can't shake. Then comes a fever and a tickle in your throat. A few days later you'll be blabbing your secrets and chatting with strangers like they're old friends. Three more and the paranoid hallucinations kick in. And then you're dead. When a strange new virus sweeps through sixteen-year-old Kaelyn's island community, everything she took for granted slips away. As the dead pile up, the schools close, the phone lines fail, and the power goes out, desperate to save her home, Kaelyn joins forces with a former rival and opens her heart to a boy she once feared. The journey they set off on will test her resilience and shake her faith in humankind. How much of herself will she have to sacrifice to see her mission through? This box set contains the complete *Fallen World* trilogy: *The Way We Fall*, *The Lives We Lost*, and *The Worlds We Make*, as well as *Those Who Lived*, the *Fallen World* story collection.

Those Who Lived Megan Crewe, 2022-03-29 This collection of stories gives a new voice to three characters from Megan Crewe's thrilling post-apocalyptic *Fallen World* trilogy and a glimpse of life beyond *The Worlds We Make*. Carry the Earth: When Kaelyn's news about the vaccine stirs up unrest at the artists colony, Tessa struggles to protect the sanctuary she's carefully constructed. Trial by Fire: Drew tackles a new assignment that not only puts him at odds with his most vicious colleague and his life on the line but may also determine the entire future of the Wardens. Water Song: After he convinces a boy to leave his sick mother, Leo commits to helping the now-hostile kid settle into life with the surviving islanders while confronting his own self-doubts. This is the fourth volume in the *Fallen World* series and should be read after books one through three.

A Mortal Song Megan Crewe, 2017-06-24 Sora's life was full of magic until she discovered it was all a lie. Heir to Mt. Fuji's spirit kingdom, Sora yearns to finally take on the sacred kami duties. But just as she confronts her parents to make a plea, a ghostly army invades the mountain. Barely escaping with her life, Sora follows her mother's last instructions to a heart-wrenching discovery: she is a human changeling raised as a decoy while her parents' true daughter remained safe but unaware in modern-day Tokyo. Her powers were only borrowed, never her own. Now, with the world's natural cycles falling into chaos and the ghosts plotting an even more deadly assault, it falls on her to train the unprepared kami princess. As Sora struggles with her emerging human weaknesses and the draw of an unanticipated ally with secrets of his own, she vows to keep fighting for her loved ones and the world they once protected. But for one mortal girl to make a difference in this desperate war between the spirits, she may have to give up the only home she's ever known. With its breathtaking action, heart-wrenching conflict, and unexpected romance, this vivid standalone contemporary fantasy will delight fans of Julie Kagawa and Laini Taylor. Dive into the captivating world of the kami today.

The Politics of Fantasy, C.S. Lewis and J.R.R. Tolkien Lee D. Rossi,1984 C S Lewis and J R R Tolkien are two of the most interesting and entertaining writers of fantasy in the twentieth century Certainly they are two of the most popular and in their own domain they have been considered among the very best of popular practitioners The literary and artistic merits of their work are in themselves enough to justify an extended discussion of their work But they have another interest for the student of intellectual and cultural history They present striking examples of the moral dilemma with which all conscientious intellectuals must deal Not out of society but unhappy in it they are among many who have attempted a mode of escape and criticism of modern society They have been among the most sensitive registers of the moral crisis in modern capitalist society
