

The background features a collage of educational materials. At the top left, a worksheet titled 'APPLE MATCH THE PICTURE WITH THE WORD' shows a grid with apple-related illustrations. To its right is a flashcard with a cartoon apple character. Below that is another flashcard with a realistic red apple and the word 'apple'. On the left side, a red sign with green text reads 'APPLE LIFE'. At the bottom, large black letters spell out 'apple' on a white background, with other letters like 'kin' and 'ad' visible. **Multicultural Literature for Children and Young Adults** Mingshui Cai, 2002-10-30 There is much discussion of multiculturalism in education This is especially true of multicultural literature for children and young adults The rise of multicultural literature is a political rather than a literary movement it is a movement to claim space in literature and in education for historically marginalized social groups rather than one to renovate the craft of literature itself Multicultural literature has been closely bound with the cause of multiculturalism in general and thus has been confronted with resistance from conservatives This book discusses many of the controversial issues surrounding multicultural literature for children and young adults The volume begins with a look at some of the foundational and theoretical issues related to multicultural literature The second part of the book addresses issues related to the creation and critique of multicultural literature including the authorship of such works and the role of the reader in determining whether or not a work is multicultural The third looks at the place of multicultural literature in the education of children and young adults Throughout its discussion the book makes extensive references to a large body of multicultural fiction and provides a thorough review of research on this important topic
