Three best friends attend a concert. Only one makes it out alive. When police stop Dustin Webb with a warrant to search his trunk he knows there's been a mistake. He's former military and owns a security firm. But he's horrified when the officers find explosives and he can't fathom how they got there. Criminal attorney Jamie Powell was Dustin's best friend growing up. They haven't spoken since he left for basic training but she's the first person he thinks of when he's arrested. Jamie knows she's putting her career on the line by defending an accused terrorist but she'd never abandon him. Someone is framing Dustin to take the fall for shocking acts of violence but why? *Aftermath* takes off on the very first page and keeps you glued to the edge of your seat all the way until the end with a plot that keeps you guessing, complex layers of friendship, a relentless quest for justice, the sting of betrayal, and a second chance romance.
