Bowker's Guide to Characters in Fiction 2007, 2008-02 Noir Fiction and Film Lee Clark Mitchell, 2021 The argument of *Noir Fiction and Film* is curiously counterintuitive that in a century of hard boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre Among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes What weaves together such features however seems to be a paradox that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the

suspense we also desire Yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces As the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning *Jack On A Wire* Diane Capri,2024-03-12 USA Today and New York Times Bestselling Award Winning Series The next gripping Hunt for Jack Reacher Thriller from Diane Capri Make some coffee You ll read all night Lee Child Lee Child Gives Diane Capri Two Thumbs Up Full of thrills and tension but smart and human too Kim Otto is a great great character I love her Lee Child The Hunt for Jack Reacher series enthralls fans of John Grisham Lee Child David Baldacci Michael Connelly Karin Slaughter Lisa Gardner and more Diane writes like the maestro of the jigsaw puzzle Sit back in your favorite easy chair pour a glass of crisp white wine and enter her devilishly clever world David Hagberg New York Times Bestselling Author of Kirk McGarvey Thrillers Expertise shines on every page Margaret Maron Edgar Anthony Agatha and Macavity Award Winning MWA Past President and MWA Grand Master Readers Love the Hunt for Jack Reacher Series and Diane Capri I love these books All Child fans should give it a try Award winning New York Times and USA Today Bestselling Author DIANE CAPRI Does It Again in another Blockbuster Hunt for Jack Reacher Series Novel Lee Child Jack Reacher Reacher military action romance suspense thriller mystery Florida Michigan adoption secret baby women sleuth legal thriller John Grisham thriller series mystery series romantic suspense series romantic suspense hepatitis medical mystery medical thriller psychological thriller strong female strong female protagonist police procedural thriller and suspense vigilante justice crime action packed private investigators lawyer police officer FBI agents Alaska hard boiled cozy legal medical suspense suspense series spies tech techno technology crime financial murder theft litigator judge juror death due justice secret justice twisted justice wasted justice mistaken justice deadly dozen deadly gun killer sniper shot deadly parenting relationships crime fiction crime novel kidnapping serial killers heist series women s fiction detective conspiracy political terrorism contemporary genre fiction United States **Words on Cassette, 2002** R R Bowker Publishing,2002 The Software Encyclopedia 2000 Bowker Editorial Staff,2000-05 Books Magazine ,1998
