Understanding Jesus Cultural Insights Into The Words And Deeds Of Christ:

Understanding Jesus Joe Amaral, 2025-05-01 Modern day Christians often bring their own presuppositions and assumptions to the reading of the Bible not realizing how deeply their understanding of Christ's life and teachings is affected by a 21st century worldview In *Understanding Jesus* author Joe Amaral delves deep into Jewish history societal mores and cultural traditions closing the gap created by geographical distance and over two thousand years of history Using a chronological approach to the life of Christ he guides the reader through significant events such as Jesus birth baptism and crucifixion pointing out illuminating details that the Western mind would normally miss Amaral's premise is that to understand Jesus we must understand the time and place in which he was born the background from which he drew his illustrations and the audience he spoke to Throughout the book he explores specific terms places and events for their significance and shows how they add richness and meaning to the text Topics include the connection between Jesus and John the Baptist the annual Feasts and why they are important to modern Christianity Jewish customs such as foot washing clean and unclean foods paying tribute to political governments and the significance of various miracles In *Understanding Jesus* Amaral draws back the curtain on a way of life that existed during the reign of the Caesars and in doing so reveals truths about the way we live more than two thousand years later half a world away *The Carpenter's Son* Ron W.

Simmons, 2017-08-09 What is humanity's ultimate destiny Could there be life beyond the grave What is genuine spirituality These questions and many more are answered by a carpenter's son Jesus born in ancient Judaea two thousand years ago He healed thousands yet never received medical training He taught in streets homes and temples yet never achieved scholarly status He demanded perfection yet chose the imperfect to follow him He spoke of the arrival of an eternal kingdom yet he never ran for political office or led a nation He spoke of peace and love yet led the greatest counter revolutionary effort in human history Despised by his critics and revered by society's lowest members Jesus still speaks to our deficiencies as well as our weaknesses and assures a redemption we could never achieve on our own Out of an original rebellion we all face a self imposed defeat by pointlessly attempting to establish our own kingdoms despite confronting the same abysmal fate Yet God has achieved the greatest comeback in history by conquering death and in doing so has prepared for us a victory we could not possibly imagine for to lose all is to gain all *Traversing the Last Days* Tim Faulkner, 2012 This book is intended to present a fresh perspective on Biblical Prophecy from a slightly different angle Sometimes clarity can come from a most unlikely direction The Bible is the most amazing book because it is the primary source for knowing and understanding God's will and plans from the past and for the present and future We are living in a world of incredible rapid change and many Christians and Non Christians alike are looking for clarity and understanding about the second coming of Jesus Christ This book will help you sort out some of the details challenge you to seek God's will help you interpret the times and see God at work in this very day At the very heart of this effort is hope the hope that we find in a personal relationship with Jesus that

comes from knowing and participating in God's plans and the hope that a brighter day is coming to a world that can often seem hopeless Christians are called to be ready, alert and aware of the signs that will help us to know when Jesus will return to earth If there was ever a time to get our bearings it is now

MUL.BABBAR The White Star Over Bethlehem Dwight R. Hutchison, 2018-09-30 Dwight Hutchison's historical novel MUL BABBAR The White Star Over Bethlehem shows how non-Jewish Babylonian astronomers and others could have shifted from their traditional ideas to believing in the Jewish Messiah Relatively discreet events involving the synodic cycle of MUL BABBAR Jupiter in the late first century BC probably left plenty of ancient astronomers scratching their heads The royal celestial events were at the heart of Babylonian astronomical science but not at the heart of their astrology

MUL.BABBAR: The Messiah's Star Dwight Reed Hutchison, 2024-07-19 Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC Did wise men come from the east seeking the newly born king of the Jews How can one be sure MUL BABBAR The Messiah's Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective Babylonian astronomy and royal symbolism seem to give clues about the star However the royal celestial signs related to the coming of the Messiah are also connected directly to Judaism and the Bible The Messiah's star announced the coming of a great king The Greatest of Kings destined to rule the world This book is an updated, improved and expanded version of *The Lion Led the Way* by the same author

The Sacred Overlap J.R. Briggs, 2020-09-08 The widening of political, racial, generational and religious differences leads too often to an us vs them mentality The Sacred Overlap communicates a refreshing vision that embraces tension and shows us how to live in radical love and faithfulness between the extremes that isolate and divide people The gospels display how Jesus was committed to crossing the either/or waters of the cultural and societal wars of his day His miracles and parables often broke or ignored religious and political lines that seemed all important He comforted the disturbed and disturbed the comfortable Using Jesus' example J.R. Briggs offers a fresh and relevant understanding of evangelism and discipleship in our present time of extreme polarization Without sacrificing biblical integrity The Sacred Overlap is a joyful exploration of the complexity of life in the peace of Christ With careful discernment Briggs shares creative ways to engage with God's mission of ministering to those who are intrigued by Jesus but turned off by church Explores what it means to be joyful in the midst of heart-wrenching pain and earthly suffering Models what it means to maintain a posture of convicted civility which emphasizes both grace and truth The Sacred Overlap helps readers see how Christians are called to live with their feet firmly planted in two different worlds in both heaven and earth living naturally with both the sacred and the ordinary Only then can a Christian be a faithful witness and disciple of Jesus

The Lion Led the Way Dwight Hutchison, 2021-07-07 Was there a meaningful stellar sign over Bethlehem What did it look like to someone looking up at the night sky Did wise men really come from the East seeking Israel's Messiah sometime after the birth of Jesus The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia Important aspects of Babylonian astronomy

seem to be involved in understanding the star's appearing. But in addition, *The Lion Led the Way* also explores the men and events from a profoundly Jewish perspective. The traditional Jewish names of stars and planets, Jewish symbols as well as Jewish dates all seem to be keys to unlocking the mystery of the famous star. The star of Bethlehem was not the brightest of the heavenly lights nor was it the most spectacular starry manifestation of all time. However, it was part of the most meaningful set of celestial events in human history. The God of Israel is surprising. His ways are not our ways; his thoughts are not our thoughts. The star gives us a concrete example of God's intervention in the universe.
