The Meaning and Uses of βασιλεία in the Gospel of Matthew Tobias Ålöw, 2024-04-02 Contrary to the prevailing view that is a verbal noun signifying God s rule this study demonstrates how the term s pragmatic range in Matthew s Gospel covers both five distinct types of use and their integration into a coherent concept The study which is the first to examine all occurrences of in the First Gospel from the perspective of semantic monosemy extends and enhances our appreciation of the Matthean Zentralbegriff and engenders a more accurate apprehension of the nature and aims of the Matthean narrative and the theological views it conveys

Faith Comes from What Is Heard: An Introduction to Fundamental Theology Lawrence Feingold, 2016-07-01 Faith Comes from What Is Heard An Introduction to Fundamental Theology informs both the heart and mind as it brings together dogmatic and biblical theology the Thomistic tradition the teachings of the Fathers of the Church and the contemporary Magisterium Drawing heavily upon the works of St Thomas Aquinas Bl John Henry Newman Joseph Ratzinger and St John Paul II the author examines the foundations of Catholic theology or Fundamental Theology which is theology s reflection on

itself as a discipline its method and its foundation in God's Revelation transmitted to us through Scripture and Tradition. Although *Faith Comes from What Is Heard* is useful for all Catholics who want to understand the foundations of their faith, it is specifically designed to serve as a textbook for courses in Fundamental Theology in seminaries and in graduate and undergraduate programs in theology. It can also serve as a textbook for introductory theology and Scripture courses. The topics covered in *Faith Comes from What Is Heard* include Revelation and Faith, Theology, Tradition, and the Magisterium, Biblical Hermeneutics, the Historicity of the Gospels, and Biblical Typology.

Spiritual Restoration Skip Moen, 2008. Why is it so difficult to live the way the Bible teaches? Why don't things work out when we try to be truly holy? Why does the world give us so many problems? If you've struggled with these kinds of questions, there are answers. Walk the path of Spiritual Restoration. You will discover that our frustration and confusion often comes from our Greek worldview. God has a completely different perspective, but if we try to live with one foot in the Greek world and one foot in the Hebrew world, we feel compartmentalized, fragmented, and defeated. We have unconsciously worked against ourselves by trying to make God fit the Greek model. All of that can change today. Spiritual Restoration reveals the startling differences between these worldviews. Now we can begin recovery and restoration where living the biblical worldview makes sense for what we need today. Author, teacher, and consultant Skip Moen has five degrees, including a Ph.D. from Oxford University. With more than twenty-five years of business/entrepreneurial development, Skip provides consulting that helps organizations align their leadership and operations with Biblical principles. He is the Dean of the Department of Biblical Leadership at Master's International Divinity School and the author of *Words to Lead By*. By a study of Jesus' leadership, Skip achieved the American dream of independent wealth, only to discover a life of pointless affluence. God radically changed his direction, exposing the myth of security in a Greek-based culture. Now he wants to recover the foundation of God's point of view for living.

Once a Christian Wayne Talbot, 2017-07-11. You worship what you do not know; we know what we worship for salvation is of the Jews. But the hour is coming, and now is when the true worshippers will worship the Father in spirit and truth, for the Father is seeking such to worship Him. God is Spirit, and those who worship Him must worship in spirit and truth. John 4:22-24. Jesus spoke these words to a Samaritan woman, but the author believes that they should be directed to Christians of all denominations. Jesus preceded these words by stating that the hour is coming when you will neither on this mountain nor in Jerusalem worship the Father. Central to the prophecies is a return to Jerusalem from where the Father will be worshipped forever. Why would Jesus contradict the Father? Contradictions such as these were largely responsible for the author doubting the authenticity of the texts, or if the texts are authentic, then one must doubt the claims of Jesus being the prophesied Messiah. There were two key issues that the author sought to resolve separately: 1. Does Christianity truly follow the footsteps

of Jesus of Nazareth or did Rome invent its own Jesus a man who never was and 2 Was Jesus the prophesied Jewish mashiach of the kingly line of David Other contentious issues would resolve from those two Resulting from wide ranging research the author concluded that neither Christian precept was true Believing in God and walking away from Christianity was his only choice

Israel and the Church Jacques Doukhan,2018-12-18 My standpoint is then one of tension a tension that I bear in my flesh and in my intellectual and spiritual life I heard the two voices And it is the weight of this tension that has pressed me to think and study about it to teach about it and eventually to write about it It is the Jewish Christian tension in my flesh and in my scholarly and professional life that has given birth to this book In echo to Israel Zangwill I will set my questions straight Were Jesus and Moses indeed irreconcilable Are our theological and historical clichés in agreement with the original intention of prophetic revelation and with what indeed took place in history From the Preface *The Two Jews* *Land of Promise, Land of Strife* Wesley G. Pippert,1988 As the modern nation of Israel celebrates its 40th birthday Christian journalist Wesley Pippert who has lived and worked in Israel writes an informative analysis of the land and its people its problems and its potential

The Difficult Words of Jesus Amy-Jill Levine,2022-10-31 As well as telling parables and stories giving teachings on how to discern questions of ethics and human nature and offering beatitudes for comfort and encouragement Jesus also spoke words and flung insults that followers then and now have found difficult to say the least He instructs disciples to hate members of their own families Luke 14 26 warns that unending fire awaits some people says body parts should be cut off if they offend He calls a foreign woman a dog the Jews offspring of vipers and his closest disciple Satan Preachers often gloss over these or avoid them altogether as they are still so shocking In *The Difficult Words of Jesus* Amy Jill Levine sheds vital light on understanding these by exploring how these sayings sounded to those who first heard them She reveals Jewish modes of expression humour and the long tradition of Jewish insults and what they mean and how we might interpret these sayings today within a gospel of love and reconciliation *Religious and Theological Abstracts* ,2003 **The Library Journal Book Review** ,1971 **Introduction to Biblical Interpretation** William Wade Klein,Craig L.
