Idowu,Mara Del Baldo,2019-01-04 This book critically examines the implementation and adoption of integrated reporting IR in organizations and corporations A relatively new area of policy and practice IR has rapidly gained considerable prominence since the formation of the International Integrated Reporting Committee in 2010 The book analyzes the outcomes and benefits as well as the shortfalls of integrated reporting It offers an introduction to the foundations of IR and a comprehensive overview of its use through a number of detailed case studies Lastly it discusses the outlook for further developments in sustainability accounting and reporting

The Journey Toward Integrated Reporting Sarah ; Fries Adams (Jessica ; Simnett, Roger),2011 **The Integrated Reporting Movement** Robert G. Eccles,Michael P. Krzus,2014-10-20 An in depth enlightening look at the integrated reporting movement The Integrated Reporting Movement explores the meaning of the concept explains the forces that provide momentum to the associated movement and examines the motives of the actors involved The book posits integrated

reporting as a key mechanism by which companies can ensure their own long term sustainability by contributing to a sustainable society Although integrated reporting has seen substantial development due to the support of companies investors and the initiatives of a number of NGOs widespread regulatory intervention has yet to materialize Outside of South Africa adoption remains voluntary accomplished via social movement abetted to varying degrees by market forces In considering integrated reporting s current state of play the authors provide guidance to ensure wider adoption of the practice and success of the movement starting with how companies can improve their own reporting processes But the support of investors regulators and NGOs is also important All will benefit as will society as a whole Readers will learn how integrated reporting has evolved over the years where frameworks and standards are today and the practices that help ensure effective implementation including but not limited to an extensive discussion of information technology s role in reporting and the importance of corporate reporting websites The authors introduce the concepts of an annual board of directors Statement of Significant Audiences and Materiality and a Sustainable Value Matrix tool that translates the statement into management decisions The book argues that the appropriate combination of market and regulatory forces to speed adoption will vary by country concluding with four specific recommendations about what must be done to accelerate high quality adoption of integrated reporting around the world

Integrated Reporting and the Capitals' Diffusion Delphine Gibassier, 2019 The idea of integrated reporting has been in the mind of business organizations the accounting profession and academics for 40 years now with the first reports being published in the early 2000s For many years integrated reporting has been something of a holy grail for advocates of accountability something that has not been achieved through most efforts at triple bottom line reporting Todd 2005 p 3 However today we are perhaps witnessing the early stages of widespread promulgation of a different way of thinking about corporate success and reporting Adams 2015 p 23 Six years after the publication of the first integrated reporting framework the IR Framework from the IIRC that embodies the idea of integrated reporting three researchers have investigated the diffusion of this accounting innovation Their research makes the following new contributions to our understanding of integrated reporting Their research outlines several new countries that have a large number of integrated reports and have not been investigated in depth Sri Lanka and Mexico for example It demonstrates the high proportion of industries linked to intangibles that publish integrated reports Their research contrasts the impression given by earlier research that only large companies publish integrated reports as 42% of companies have less than 5 000 employees Despite previous acknowledgement of the large joint use between the GRI and integrated reporting 83% according to the WBCSD 2018 they find that only a little over 50% acknowledge both approaches together Our research also outlines that a large number of companies have now adopted the title integrated report which demonstrates a deepening of adoption
