The Palestine-Israel Conflict Gregory Harms, Todd M. Ferry, 2017-07-20 The Palestine Israel conflict is the most notorious and ingrained conflict in living memory Yet the way it is reported in the media is often confusing leading many to falsely assume the hostilities stretch continuously back to an ancient period The Palestine Israel Conflict provides a balanced accessible and annotated introduction that covers the full history of the region from Biblical times until today Perfect for the general reader as well as students it offers a comprehensive yet lucid rendering of the conflict setting it in its proper historical context This fourth edition brings us up to date and includes recent events such as Israel s Operation Protective Edge developments between Fatah and Hamas ongoing Palestinian resistance and the entirety of the Obama years This book cuts through the layers of confused and contradictory information on the subject and will help clarify the ongoing conflict for its readers

West Meets East David Harb, 2010-09-24 Although Israel and Palestine is a very small piece of land in the planet it has received more global attention over the last 60 years and perhaps any other part of the globe This primer is designed to help clarify the issues to give the reader a better understanding of the conflict Israel claims it is theirs and Palestine claims it belongs to the Palestinians This book is intended to validate both claims with the purpose of creating a peace that both people can live side by side in harmony with one another Many attempts have been made in the past to create a lasting peace This is the appropriate time in history to bring both parties to the table with the intentions of bringing together a comprehensive peace agreement to both sides
