Samurai and Ninja

Antony Cummins,2016-08-09 The myths of the noble Samurai and the sinister Ninja are filled with romantic fantasy and fallacy Samurai and Ninja expert Antony Cummins shatters the myths and exposes the true nature of these very real and very lethal medieval Japanese warriors The Samurai and Ninja were in fact brutal killing machines trained in torture and soaked in machismo Many were skilled horsemen and sword fighting specialists while others were masters of deception and sabotage Some fought for loyalty others for personal gain What these warriors all shared in common was their unflinching personal bravery skill and brutality In Samurai and Ninja Cummins separates myth from reality and shows why the Japanese were the greatest warriors of all time He describes the Samurai and the Ninja as they really were in earlier times when battles raged across Japan not in later times when war became obsolete and Japanese warriors became philosophers scholars and courtiers He describes the social context of the day and the feudal world into which the warriors were trained to fight and die for their lords He exposes the essentially brutal nature of warfare in medieval Japan This book is illuminated by many rare Japanese manuscripts and texts which are translated into English for the very first time

Burdens to Blessings

Kim Crabill,2016-10-01 From the time Kim Crabill experienced a life altering trauma at age four she became an expert in hiding her hurt and confusion behind a mask The trick she discovered was to sing a little louder in choir study a little harder at school and smile a little wider with friends Then no one would notice how damaged her heart was Kim became a classic overachiever academically and socially As an adult she could even speak before crowds with her mask fully intact But she could not hide from the pain of her past and pain that expressed itself through anorexia and diet pill addiction loneliness depression and anxiety attacks In her transparent story Burdens to Blessings Kim invites you along her journey from shame and sadness toward healing and hope In the process you will encounter the upside down truth that God uses you because of your hurt and uncertainty The very things you regret the most the things you hope no one ever discovers about you are what God wants to use to enrich your life and the lives of others around you Discover the confidence and courage to quit hiding and show your true self to God and others Then watch out because you will be showered with opportunities beyond your
