The Springtime Of The Renaissance Sculpture And The Arts In Florence 1400 6

A. Victor Coonin

The Springtime Of The Renaissance Sculpture And The Arts In Florence 1400 6:

The Springtime of the Renaissance Beatrice Paolozzi Strozzi, Marc Bormand, 2013 Florence is justly named the cradle of the renaissance It was here that inspired by the revival of interest in classical antiquity fuelled by civic pride and fostered by the wealthy Medici family a visual language was created that was to be spoken *The Springtime of the Renaissance*

Beatrice Paolozzi Strozzi, Marc Bormand, 2013 **Making and Moving Sculpture in Early Modern Italy**

KelleyHelmstutler DiDio, 2017-07-05 In recent years art historians have begun to delve into the patronage production and reception of sculptures sculptors workshop practices practical aesthetic and esoteric considerations of material and materiality and the meanings associated with materials and the makers of sculptures This volume brings together some of the top scholars in the field to investigate how sculptors in early modern Italy confronted such challenges as procurement of materials their costs shipping and transportation issues and technical problems of materials along with the meanings of the usage hierarchies of materials and processes of material acquisition and production Contributors also explore the implications of these facets in terms of the intended and perceived meanings for the viewer patron and or artist A highlight of the collection is the epilogue an interview with a contemporary artist of large scale stone sculpture which reveals the similar challenges sculptors still encounter today as they procure manufacture and transport their works *The Early*

Modern Italian Domestic Interior, 1400-1700 Erin J. Campbell, Stephanie R. Miller, Elizabeth Carroll Consavari, 2016-03-23 Emphasizing on the one hand the reconstruction of the material culture of specific residences and on the other the way in which particular domestic objects reflect shape and mediate family values and relationships within the home this volume offers a distinct contribution to research on the early modern Italian domestic interior Though the essays mainly take an art historical approach the book is interdisciplinary in that it considers the social implications of domestic objects for family members of different genders age and rank as well as for visitors to the home By adopting a broad chronological framework that encompasses both Renaissance and Baroque Italy and by expanding the regional scope beyond Florence and Venice to include domestic interiors from less studied centers such as Urbino Ferrara and Bologna this collection offers genuinely new perspectives on the home in early modern Italy **Practice and Theory in the Italian Renaissance Workshop** Christina

Neilson, 2019-07-18 Verrocchio worked in an extraordinarily wide array of media and used unusual practices of making to express ideas Giorgio Vasari and the Birth of the Museum MaiaWellington Gahtan, 2017-07-05 Giorgio Vasari and the

Birth of the Museum offers the first dedicated and comprehensive study of Vasari's original contributions to the making of museums addressing the subject from the full range of aspects collecting installation conceptual historical in which his influence is strongly felt Uniting specialists of Giorgio Vasari with scholars of historical museology this collection of essays presents a cross disciplinary overview of Vasari's approaches to the collecting and display of art artifacts and memorabilia Although the main focus of the book is on the mid late 16th century contributors also bring to light that Vasari's museology

enjoyed a substantial afterlife well into the modern museum era This volume is a fundamental addition to the museum studies literature and a welcome enhancement to the scholarly industry on Giorgio Vasari **Florence, Berlin and Beyond: Late**

Nineteenth-Century Art Markets and their Social Networks ,2020-06-22 Recent and increasing interest in art market studies the dealers mediators advisors taste makers artists etc indicate that the transaction of art and decorative art is anything but linear Taking as its point of departure two of the most active agents of the late nineteenth century Wilhelm von Bode and Stefano Bardini the essays in this volume also look beyond to other art market individuals and their vast and frequently interconnected social and professional networks Newly told history taken from rich business epistolary and photographic archives these essays examine the art market within a broader and more complex context In doing so they offer new areas of inquiry for mapping of works of art as they were exchanged over time and place **Donatello and the Dawn**

of Renaissance Art A. Victor Coonin,2019-11-15 The Italian sculptor known as Donatello helped to forge a new kind of art one that came to define the Renaissance His work was progressive challenging and even controversial Using a variety of novel sculptural techniques and innovative interpretations Donatello uniquely depicted themes involving human sexuality violence spirituality and beauty But to really understand Donatello one needs to understand his changing world marked by the transition from Medieval to Renaissance style and to an art that was more personal and representative of the modern self Donatello was not just a man of his times he helped shape the spirit of the times he lived in and profoundly influenced those that came after In this beautifully illustrated book the first thorough biography of Donatello in twenty five years A Victor Coonin describes the full extent of Donatello s revolutionary contributions revealing how his work heralded the emergence of modern art **Botticelli Past and Present** Ana Debenedetti,Caroline Elam,2019-01-08 The recent exhibitions dedicated to Botticelli around the world show more than ever the significant and continued debate about the artist Botticelli Past and Present engages with this debate The book comprises four thematic parts spanning four centuries of Botticelli s artistic fame and reception from the fifteenth century Each part comprises a number of essays and includes a short introduction which positions them within the wider scholarly literature on Botticelli The parts are organised chronologically beginning with discussion of the artist and his working practice in his own time moving onto the progressive rediscovery of his work from the late eighteenth to the turn of the twentieth century through to his enduring impact on contemporary art and design Expertly written by researchers and eminent art historians and richly illustrated throughout the broad range of essays in this book make a valuable contribution to Botticelli studies **The Woman and the Dragon in Premodern Art** Sharon

Khalifa-Gueta,2025-10-01 The motif of the woman and the dragon has been prevalent in Western art since antiquity yet has hitherto remained understudied and artworks featuring this motif in Western Mediterranean cultures have been examined primarily in relation to the topos of the male dragon slayer This book analyzes artistic images of women and dragons over an extensive period from Classical Greece and Rome with forays to Egypt and Mesopotamia to the early modern period in

Western Europe The unique methodology employed in the study of this motif reveals its sacred core as well as its relationship to rituals of fertility and oracular knowledge to the liminal realm between life and death and to the symbolism of Great Mother goddesses At the same time the images explored throughout expose stereotypes and biases against women in unusual positions of power which were embedded in the motif and persisted in Western European art
