The Strangest Secret Earl Nightingale, 2011-02 Your master key to an abundant life Cover [The Strangest Secret](#) Earl Nightingale, 2019-09-17 The one and only original Earl Nightingale's Strangest Secret endorsed by Nightingale Conant The Strangest Secret is much more than a wealth building tool it is a manifesto for self actualization and purpose driven work In Nightingale's own words The only man who succeeds is the man who is progressively realizing a worthy ideal In this book Nightingale distills his lifetime of research on human motivation into a simple success formula the very same one that propelled his own achievement The Strangest Secret is a practical guide for accelerated prosperity so that you can quickly rise to the top becoming one of the top 5 percent who succeed in your field Challenge yourself with Nightingale's thirty day test for putting this secret success formula into action in your life and chart your own path to productivity financial independence and personal fulfillment Having grown up during the Great Depression Earl Nightingale was fascinated by the difference between those who attain high levels of personal professional and financial success and those who do not He devoted his life to searching out a recipe for achievement a means of predicting success in any area of life While reading the line in Napoleon Hill's *Think and Grow Rich* that we become what we think about Nightingale experienced a watershed moment of self discovery that resulted in his becoming financially independent by the young age of thirty five Make this book your catalyst to the transformation you seek **The Strangest Secret Collection** Dr. Robert C. Worstell, Earl Shoaff, Claude M. Bristol, Neville Goddard, Wallace D. Wattles, Earl Nightingale, James B. Jones, 2019-02-15 With complete certainty I can tell you now from my more than half century of existence Any and all successes as well as all my disappointments are directly traced to the principles in this book For any set back or failure I either didn't know these principles didn't understand their power or simply ignored them For every success I have tracked back to taking these exact steps laid out in this book to achieve acquire or attain whatever it was I wanted to be or have And that experience is why I'm bringing out this short book you can have to carry with you and review regularly Inside Earl Nightingale's original Strangest Secret recording he mentions several books that support these ideas If you put them together the length is around 700 pages of text What you are reading here is around a hundred And this is designed to be slim and still contain the power of the best references that can educate and reinforce the key success principles Nightingale recorded in 1956 **The Strangest Secret: How to Think Business Success** Robert C. Worstell, Earl Nightingale, 2017-05-24 Do you know the Strangest Secret to Success Do you want to live a richer life The Strangest Secret was discovered eons ago And it's been told over and over to anyone who would listen Have you heard it for yourself If you know this secret You can't help but be successful in everything you do It predicts your future success It explains any past failures You can accomplish anything you want if you know this Health happiness all the riches you could want can be yours But you truly have to know and understand it Nightingale accidentally started a new industry with this one recording He credited this one discovery for the foundation of
