The twelfth annual yearbook of the National Council of Professors of Educational Administration represents the latest work and research of NCPEA members who include both professors and practitioners of educational leadership This collection of essays represents the current thinking in educational administration and principal preparation and is an excellent resource for leadership preparation programs The Modern School Superintendent Marvin Edwards, 2006

An impossible job That's what many have called the superintendency With its growing and completing demands it is a profession that can baffle even the most knowledgeable and well prepared Public education resources have become more limited There are new national and state testing requirements Social issues are pulled into the schools and want more control over their operation Add in politics and bureaucracy and the end result is quite an unmanageable scenario Unfortunately more superintendents seem to be leaving the profession Whether it is because of the demands superintendents face the quality of preparation programs or a combination of both the trend is a growing concern Many superintendents are unprepared to deal with what they may encounter in running a school district Yet the office is not all doom and gloom Offering opportunities that are unavailable in

many other careers the superintendency is a position in which you will be taken seriously by others And it is a profession in which one person through skilled leadership can make a difference by getting everyone to pull together and create a better environment for students Surveys actually have shown that most superintendents would become superintendents again if they had the chance

The First-Year Experiences of Successful Superintendents Kerry Roberts, Shellie L. Hanna, Sid T. Womack, 2012-03-01 These qualitative case studies give the prospective superintendent a real life look at life on the other side of the district CEO s desk Two dozen superintendents reflect upon their first challenges and growth opportunities that arose during that all important first year They tell it like it is no sugar coating The experiences they listed in each of the 13 chapters are invaluable to new or beginning superintendents This book is also helpful for the superintendent mentor as they assist new superintendents in being successful
