The Talented Mr. Ripley, Ripley Under Ground, Ripley's Game Patricia Highsmith, 1999-10-12 Three classic psychological crime thrillers by a master of the macabre appear here together in hardcover for the first time THE INSPIRATION FOR THE NETFLIX SERIES STARRING ANDREW SCOTT JOHNNY FLYNN AND DAKOTA FANNING Suave agreeable and completely amoral Patricia Highsmith's hero the inimitable Tom Ripley stops at nothing not even murder to accomplish his goals In achieving for himself the opulent life that he was denied as a child Ripley shows himself to be a master of illusion and manipulation and a disturbingly sympathetic combination of genius and psychopath As Highsmith navigates the mesmerizing tangle of Ripley's deadly and sinister games she turns the mystery genre inside out and takes us into the mind of a man utterly indifferent to evil The Talented Mr Ripley ONE OF TIME MAGAZINE'S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME In a chilling literary hall of mirrors Patricia Highsmith introduces Tom Ripley Like a hero in a latter day Henry James novel Ripley is sent to Italy with a commission to coax a prodigal young American back to his wealthy father But Ripley finds himself very fond of Dickie Greenleaf He wants to be like him exactly like him Suave agreeable and utterly amoral Ripley stops at nothing certainly not only one murder to accomplish his goal Turning the mystery form inside out Highsmith shows the terrifying abilities afforded to a man unhindered by the concept of evil Ripley Under Ground In this harrowing illumination of the psychotic mind the enviable Tom Ripley has a lovely house in the French countryside a beautiful and very rich wife and an art collection worthy of a connoisseur But such a gracious life has not come easily One inopportune inquiry one inconvenient friend and Ripley's world will come tumbling down unless he takes decisive steps In a mesmerizing novel that coolly subverts all traditional notions of literary justice Ripley enthralls us even as we watch him perform acts of pure and unspeakable evil Ripley's Game Connoisseur of art harpsichord aficionado gardener extraordinaire and genius of improvisational murder the inimitable Tom Ripley finds his complacency shaken when he is scorned at a posh gala While an ordinary psychopath might repay the insult with some mild act of retribution what Ripley has in mind is far more subtle and infinitely more sinister A social slight doesn't warrant murder of course just a chain of events that may lead to it **The Talented Mr. Ripley** Patricia Highsmith, 2000 Suave agreeable and completely amoral Tom Ripley stops at nothing not even murder to accomplish his goals Jacket Dandyism Len Gutkin, 2020-02-26 The dandy a nineteenth century character and concept exemplified in such works as Wilde's *The Picture of Dorian Gray* reverberates in surprising corners of twentieth and twenty first century culture Establishing this character as a kind of shorthand for a diverse range of traits and tendencies including gentlemanliness rebelliousness androgyny aristocratic pretension theatricality and extravagance Len Gutkin traces Victorian aesthetic precedents in the work of the modernist avant garde the noir novel Beatnik experimentalism and the postmodern thriller As defined in the period between the fin de siècle and modernism dandyism was inextricable from representations of queerness But rinsed of its suspect associations with the effeminate dandyism would exert influence over

such macho authors as Hemingway and Chandler who harnessed its decadent energy Dandyism Gutkin argues is a species of gendered charisma The performative masquerade of Wilde s decadent dandy is an ancestor to both the gender performance at work in American cowboy lore and the precious self presentation of twenty first century hipsters We cannot understand modernism and postmodernism s negotiation of gender aesthetic abstraction or the culture of celebrity without the dandy Analyzing the characteristic focus on costume consumption and the well turned phrase in readings of figures ranging from Wyndham Lewis Djuna Barnes and William Burroughs to Patricia Highsmith Bret Easton Ellis and Ben Lerner Dandyism reveals the Victorian dandy s legacy across the twentieth century providing a revisionist history of the relationship between Victorian aesthetics and twentieth century literature

An Intersectional Feminist Theory of Moral Responsibility Michelle Ciurria,2019-12-06 This book develops an intersectional feminist approach to moral responsibility It accomplishes four main goals First it outlines a concise list of the main principles of intersectional feminism Second it uses these principles to critique prevailing philosophical theories of moral responsibility Third it offers an account of moral responsibility that is compatible with the ethos of intersectional feminism And fourth it uses intersectional feminist principles to critique culturally normative responsibility practices This is the first book to provide an explicitly intersectional feminist approach to moral responsibility After identifying the five principles central to intersectional feminism the author demonstrates how influential theories of responsibility are incompatible with these principles She argues that a normatively adequate theory of blame should not be preoccupied with the agency or traits of wrongdoers it should instead underscore and seek to ameliorate oppression and adversity as experienced by the marginalized Apt blame and praise according to her intersectional feminist account is both communicative and functionalist The book concludes with an extensive discussion of culturally embedded responsibility practices including asymmetrically structured conversations and gender and racially biased social spaces
