The Unconventional Guide to Adulthood Aiyana Glover, 2020-03-10 The Unconventional Guide to Adulthood was created to help make the transition from student to college graduate a smooth one Being a first generation graduate meant I had to learn many lessons the hard way I had many triumphs and many failures which is why I wrote this book and found my company From post grad depression to 0 00 in my bank account I have experienced it all and bounced back in a major way This book is the first of a series of sharing what I learned Now I am not going to say this is a magic book and life will just fall into place I provide you the tools you need to succeed but you have to use them A treadmill doesn't yield results if it remains unused Each concept needs to be applied in day to day life not just read I put a lot of energy into this to make sure that it provides value to each and every person that interacts with it So I challenge you to give it to your all I challenge you to apply what you learn I challenge you to try as hard as you can and to believe in yourself The future already looks bright why not make it brighter
