A Burning in My Bones Winn Collier, 2021-03-23 This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of *The Message* In the time of a generation wide breakdown in trust with leaders in every sphere of society Eugene's quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop John Mark Comer author of *The Ruthless Elimination of Hurry* This hunger for something radical something so true that it burned in his bones was a constant in Eugene's life His longing for God ignited a ferocity in his soul Encounter the multifaceted life of one of the most influential and creative pastors of the past half century with unforgettable stories of Eugene's lifelong devotion to his craft and love of language the influences and experiences that shaped his unquenchable faith the inspiration for his decision to translate *The Message* and his success and struggles as a pastor husband and father Author Winn Collier was given exclusive access to Eugene and his materials for the production of

this landmark work Drawing from his friendship and expansive view of Peterson s life Collier offers an intimate beautiful and earthy look into a remarkable life For Eugene the gifts of life were inexhaustible the glint of fading light over the lake a kiss from his wife Jan a good joke a bowl of butter pecan ice cream As you enter into his story you ll find yourself doing the same noticing how the most ordinary things shimmer with a new and unexpected beauty *Present in Every Place?* Will Foulger,2023-04-30 Amidst a world of seemingly endless movement and change many of us feel a longing to be rooted It is this instinct that has led many to value the parish system and to question the place of new churches be they fresh expressions or church plants This book is about the instinct to form churches that are of and for a particular place and what this might mean in a world where place is contested interconnected and ever changing Above all it is an attempt to move the conversation beyond the binary choices of parish or non new or inherited It offers a powerful and persuasive vision for a Church that is national only by being local a vision that can only be realised as churches continually become present to their places Pastoral Work Jason Byassee,L. Roger Owens,2014-01-15 Eugene Peterson may be the most influential theological writer in the church today Yet because most of his career has not been in academia there is not much critical engagement with his work Here some of the finest scholar pastors we have describe the way Peterson has inspired and infuriated on the way to hopefully more faithful pastorates *Under the Unpredictable Plant (Mandarin)* Peterson Eugene,1967-12 **The Declaration of Something Mysterious** Charles R.
