Building Your Own Emergency Bug-Out Bag Michael C. Ballinger, 2015-08-24 Are you prepared to leave your home and flee to safety at a moment's notice should a natural or man-made disaster happen where you live? Most people realize that it is only a matter of time before a disaster happens to them. It is imperative to take action now and build your own Bug Out Bag with mission-critical items that might be needed to insure your family's survival. This book will help you prioritize what survival gear is most important to buy first. It is intended to be the most comprehensive Bug Out Bag list available of the most important survival gear that will sustain you and your family indefinitely if a natural or man-made disaster should happen that forces you to abandon your home for any reason. You will learn life-saving tips and advice on how to become more self-reliant beyond the traditional 72-hour Bug Out Bag in case humanitarian aid does not arrive in time as proven by FEMA during Hurricane Katrina and Hurricane Sandy. No matter what the scenario, everybody should be preparing for the possibility of hard times. The better prepared you are for a disaster, the faster you will be able to recover from one. We live in crazy times. There is nothing wrong with planning in advance to insure your family's safety and survival. Part of having peace of mind comes from knowing that you have prepared for the real and possible disasters that can and do happen to ordinary people all around the world.

The Narrows Christopher Williams, 2013-09-20 Life as we know it is over. The day of reckoning has arrived. In the heart of historic Bucks County, the fate of the world rests in the hands of a shy teenage boy. In the quaint borough of Newtown, the dead have been whispering. Sixteen-year-old Kadin Godwin hears their voices and bears a terrible secret. Kadin knows of the dark places where the walls between our world and the world of nightmares are narrow. And now the narrows are growing thinner. Imagine a world where every fiction or nightmare was real. Kadin has lived his entire life as an outcast, knowing and training for the terrifying future raging towards us when the gates to the other world are opened and our worst nightmares are unleashed. Signs are appearing. A dark alchemy has been released. Modern weapons are useless, and transportation has been crippled. A defenseless world watches and waits. Creatures of myth and legend are being sighted. Murder rates and disappearances are soaring, and the once peaceful Bucks County is paralyzed with fear. The day has arrived.
