Undergoing God Dispatches From The Scene Of A Break In:

Undergoing God James Alison, 2006-11-27 From the Catholic theologian priest and author of *Knowing Jesus* comes this collection of thoughts on lesbian and gay issues reconciliation the Eucharist psychology and evil and worship in a violent world

Sexual Deceit Kelby Harrison, 2013-03-14 Sexual Deceit is an extended ethical analysis of the phenomenon of sexual identity passing i.e. socially presenting as X when one understands oneself as Y where the variables represent any contemporary sexual identity alongside identity passing in the contexts of race gender and briefly religion and class The analysis of passing utilizes and challenges traditional moral understandings of identity falsification complicating our understandings of moral obligations under systemic oppression Tracing the intervention of social construction theory on contemporary political understandings of LGBT communities and activism Sexual Deceit argues against social construction models of identity notably performativity promulgated by the work of Judith Butler and consumed and repeated by many scholars and theory educated queer people A new model of identity is constructed based on a phenomenological concept of style that provides for a socially adjustable yet rooted notion of sexual identity The ethical implications of sexual identity passing are considered in the context of eschatological images of social justice and within practical matters such as military service leadership and sexual harassment law

James Alison and a Girardian Theology John P. Edwards, 2020-05-14 Opening with a Foreword by James Alison this volume is the first in depth treatment of Alison's theological method John P. Edwards shows that Alison's theological project outstrips Ren Girard's application of mimetic theory to theology He concludes that an explicitly Christian theological perspective is necessary for providing a fully coherent account of Girard's notions of conversion and mimetic desire This volume grounds Alison's theological method in his understanding of the ongoing interaction between conversion and theological reflection which is informed by his use of mimetic theory While Alison describes this method as theology in the order of the discovery the author refers to it as an inductive theology The volume closes by demonstrating that such a theology bears fruit in a renewed understanding of the value of Christian doctrines and particularly the doctrine of revelation

Making Sense of Sex Adrian Thatcher, 2012-06-21 All living creatures are sexed Human beings belong to societies where traditions about who can have sex with whom and how and when are centuries old Making sense of sex assumes that there is a rational way of understanding our basic drives But our inevitable failure to get sex right is the beginning of a proper and theological understanding of sex The Christian tradition especially in its conservative forms is often thought to be unhelpful in making sense of sex Christian sexual ethics may seem overly demanding holistic in theory yet sexist and pessimistic in practice Adrian Thatcher argues however that instead of being pessimistic about sex Christians can be grateful realists instead Making Sense of Sex draws on the resources of Liberal Theology to promote a mature union of spirituality and sexuality Exploring topics such as desire bodies and the Body of Christ sexual difference homosexuality marriage and Paul's reflection on flesh and spirit it will help to guide readers towards

a spiritual understanding of shared sexual love **Resurrection and Moral Imagination** Sarah Bachelard, 2016-04-08

Moral life gathers its shape force and meaning in relation to an underlying sense of reality imaginatively conceived

Significant contemporary writing in philosophy appeals to the concept of transcendence to explore what is deepest in our moral experience but leaves this notion theologically unspecified This book reflects on the appeal to transcendence in ethics with reference to the Resurrection of Jesus Bachelard argues that the Resurrection reveals that the ultimate reality in which human life is held is gracious forgiving and reconciling a Goodness that is for us Faith in this testimony transforms the possibilities of moral life both conceptually and in practice It invites our participation in a goodness experienced non dualistically as grace and so profoundly affects the formation of the moral self the practice of moral judgement and the shape of moral concepts From this perspective contemporary philosophical discussion about transcendence in moral thought is cast in a new light and debates about the continuity between theological and secular ethics gain a thoroughly new dimension Bachelard demonstrates that placing the Resurrection at the heart of our ethical reflection resonates with the deepest currents of our lived moral experience and transfigures our approach to moral life and thought Theodicy and Spirituality in the Fourth Gospel Daniel DeForest London, 2020-06-15 Daniel DeForest London argues that the Fourth Gospel offers a potentially transformative response to the question of suffering and the human compulsion to blame Based on his reading of John 9 the man born blind London argues that the Gospel does not offer a theodicy but rather a theodical spirituality an experience of praying the question of suffering and remaining open to a divine response London shows how the Johannine Jesus's response poses three sets of symbols in dichotomy day night vision blindness sheep wolf each subverted by another core symbol light judge shepherd By interpreting these symbols in light of mimetic theory he argues that Jesus's response reveals the scapegoat mechanism in which an innocent victim is blamed by violent victimizers However rather than blaming the victimizers Jesus continues to engage with the characters who appear to be villains the light of the world transforms night and day into one continuous day the Good Shepherd welcomes sheep and wolf into his beloved flock In this way readers are invited to bring to the Johannine Jesus their own violence resentment and wolfish rage regarding the question of suffering and to experience the theodical spirituality of the Fourth Gospel Female Faith Practices Nicola Slee, Dawn Llewellyn, Kim Wasey, Lindsey Taylor-Guthartz, 2023-08-01 This book explores female faith practices drawing on qualitative research to consider how women navigate and create spiritual and religious practices The chapters cover Christian Muslim Jewish and Buddhist contexts as well as newer spiritual movements The contributors examine prayer and ritual practices and familial educational and ritual spaces and relationships in a variety of cultural settings The volume reflects on the ways in which women subvert traditional or patriarchal religious practices and spaces both problematising and expanding existing notions of religious practice It also touches on research itself as a form of spiritual and academic practice considering ways in which women challenge androcentric modes of research as well as ways in which the subject of research in this case

female faith may challenge the researcher's convictions and practice Blending case studies with empirical research this book will be an outstanding resource to theologians and researchers interested in Practical Theology Gender Studies Sociology of Religion and Anthropology

Resisting Violence and Victimisation Joel Hodge, 2016-03-23 The reality and nature of religious faith raises difficult questions for the modern world questions that re present themselves when faith has grown under the most challenging circumstances In East Timor widespread Christian faith emerged when suffering and violence were inflicted on the people by the state This book seeks a deeper understanding of faith and violence exploring how Christian faith and solidarity affected the hope and resistance of the East Timorese under Indonesian occupation in their response to state sanctioned violence Joel Hodge argues for an understanding of Christian faith as a relational phenomenon that provides personal and collective tools to resist violence Grounded in the work of mimetic theorist Ren Girard Hodge contends that the experience of victimisation in East Timor led to an important identification with Jesus Christ as self giving victim and formed a distinctive communal and ecclesial solidarity The Catholic Church opened spaces of resistance and communion that allowed the Timorese to imagine and live beyond the violence and death perpetrated by the Indonesian regime Presenting the East Timorese stories under occupation and Girard's insights in dialogue this book offers fresh perspectives on the Christian Church's ecclesiology and mission

Towards a Theology of Same-Sex Marriage Clare Herbert, 2020-12-21 A transformative exploration of queer theology and the debate around same sex marriage within the Church Clare Herbert draws on her experience as a priest within the Church of England in a committed same sex relationship and considers the questions that have shaped religious debate for many years This book explores the concept of same sex marriage in relation to the heteronormative definition of marriage and its effect on past understandings of the sacrament Interweaving stories from Christians struggling to reconcile their faith with their sexuality alongside wider queer theology and the theology of marriage Herbert explores the unique understanding of God provided by the experience of committed same sex love and lays the groundwork for redefining the traditional definition of marriage

Keys to the Council Richard R. Gaillardetz, Catherine Clifford, 2012-02-01 As the church marks the fiftieth anniversary of the opening of the Second Vatican Council too few Catholics have an adequate grasp of what the council contributed to the life of the church The problem is understandable The Second Vatican Council produced by far more document pages than any other council Consequently any attempt to master its core teachings can be daunting There is a danger of missing the forest for the trees With this in mind *Keys to the Council* identifies twenty key conciliar passages central texts that help us appreciate the Vision of the council fathers Each chapter places the given passage in its larger historical context explores its fundamental meaning and significance and finally considers its larger significance for the life of the church today Chapters include exploration of Sacrosanctum Concilium's demand for full conscious and active participation in the liturgy Lumen Gentium's eucharistic ecclesiology Gaudium et Spes's vision of marriage as an intimate partnership of life and love Nostra Aetate's approach to non

Christian religions and more **To All the World** Michael Connors, 2016 Pope Francis's vision of the ministry of preaching offers a renewed emphasis on what it means to preach the Word of God in such a way that it transforms lives and communities and inspires hope In *To All the World* Michael Connors CSC draws together contributions from a variety of expert voices to reflect on the importance of liturgical preaching today *To All the World* combines contemporary scholarship with pastoral practicality in one volume by well known practitioners in the ministry of preaching including Timothy Radcliffe OP Honora Werner OP Paul Turner Jeremy Driscoll OSB Karla J Bellinger and Cardinal Donald Wuerl It will serve as a perfect companion to the United States Bishops document *Preaching the Mystery of Faith The Sunday Homily* and will be of interest to all those who share the pope's vision and call to be evangelists of the Word to all the world *To All the World* includes essays by Karla J Bellinger Jeremy Driscoll OSB Cardinal Donald Wuerl Virgilio Elizondo David H Garcia Curtis Martin Susan McGurgan Hosffman Ospino Timothy Radcliffe OP Donald Senior CP Jude Siciliano OP Melvin R Tardy Paul Turner Honora Werner OP **Culture-Sensitive Ministry** Kenneth McGuire, Eduardo C. Fernández, Anne Hansen, 2010 A practical process guide that offers a useful model for raising multicultural awareness along with helpful ways to deal with cultural diversity in pastoral ministry *An Answer to the Lust for the Divine* Eureka Circe, 2025-10-22 What happens when theology takes lust seriously not as a danger but as a source of love dignity and faith Lust am G ttlichen Lust for the Divine accompanies readers through three times seven days of Christological and sensitive theology and its practical consequences for the church from a new reading of the Bible to culture and liturgy to exciting topics of discussion such as the ordination of women marriage for all before the altar and freedom of conscience The series bridges the gap between official doctrine and lived reality and advocates for a sexual ethic that remains faithful to the Gospel and respects the reality of life human centred lust friendly and life affirming The first part lays the foundations for a lust for the divine the following parts show how the frame of creation order shifts to creation diversity and what consequences this has for sacraments language pastoral care and canon law The book invites an objective clear and effective dialogue with respect for tradition and clear words for a church that understands diversity as a gift and respects incarnation physically This volume covering days 15-21 deals with the red flags How do theologically based prohibitions differ from administrative and political ones and who examines the Church's refusals for example for marriage for all to see whether they are in line with the Gospel The dwindling interpretive authority of the office over salvation pluralisation digitalisation loss of trust also points to an increasingly polycentric interpretation Institutional and personal double standards in the clergy must be addressed through reform This calls into question the office based exclusivity of sacramental mediation The ordination of women is to be understood as the healing of a human rights violation with the resulting theological canonical pastoral psychological and liturgical mission *Jonathan Edwards and the Trinitarian Shape of Beauty* John Cunningham, 2015-06-02 This dissertation is a theological analysis of the trinitarian shape of Jonathan Edwards aesthetics of beauty The contributions of this dissertation lie chiefly in three areas The primary aim of this

study is to advance the burgeoning field of the study of Jonathan Edwards by elucidating his views of beauty In so doing I present him as a rich source for the theological engagement of beauty which could serve not only the field of Edwards studies but also that of theological aesthetics more broadly

The Palgrave Handbook of Mimetic Theory and Religion James Alison, Wolfgang Palaver, 2017-10-19 The Palgrave Handbook of Mimetic Theory and Religion draws on the expertise of leading scholars and thinkers to explore the violent origins of culture the meaning of ritual and the conjunction of theology and anthropology as well as secularization science and terrorism Authors assess the contributions of Ren Girard's mimetic theory to our understanding of sacrifice ancient tragedy and post modernity and apply its insights to religious cinema and the global economy This handbook serves as introduction and guide to a theory of religion and human behavior that has established itself as fertile terrain for scholarly research and intellectual reflection

A Kaleidoscope of Pieces Alan Cadwallader, 2017-12-30 There has been considerable debate in recent years in the Anglican Church of Australia about issues of sexual diversity To this end two collections of essays have been published The first Five Uneasy Pieces addressed the texts that have frequently been used to argue against the legitimacy of homosexual expression within Christian life and leadership The book demonstrated clearly that the texts that have been interpreted to slam gay and lesbian people are in fact misused with little or no regard either for ancient context or for contemporary hermeneutics However as all biblical liberationist projects have demonstrated it is not enough to invalidate oppressive uses of selected texts The obligation is to establish Scripture's hospitable inclusion of those who have been subjected to such oppression This is more than a generalized divine invitation to the world it requires a retrieval of those texts that actively embrace gays and lesbians Hence a second collection followed Pieces of Ease and Grace This collection broke significant new ground in the way the Bible can contribute to contemporary debates The collection utilized a range of methodologies and unlocked authentic significant and original readings that restored the Bible to a pastoral and transformative support for those whose self identification was not shaped by heterosexual normativity However the project has raised significant issues for wider theological analysis as well as calling for general theological reflection that can address historical systematic and ecclesial concerns for supportive inclusive recognition of those who identify as and with gay and lesbian people of faith A third volume is therefore prepared focusing theological analysis for the benefit of reflection in the Anglican Church and beyond Given recent developments in Ireland and the potential repercussions in Australian politics it is clear that the Church needs to harness its thinking and its actions in relation to its place within society

The Cambridge Companion to the Trinity Peter C. Phan, 2011-06-30 This Companion explores how the Christian doctrine of the Trinity has been understood and articulated in the last two thousand years The Trinitarian theologies of key theologians are carefully examined and the doctrine of the Trinity is brought into dialogue with different religions as well as with other Christian beliefs

Vile Bodies Adrian Thatcher, 2023-11-30 Vile Bodies are bodies that have been vilified by Christian thought often with catastrophic consequences The bodies of women

Jews Muslims slaves Blacks LGBT people children wives have all been harmed by negative Christian teaching about bodies This book sidesteps the endless controversies in the churches about sexuality and gender and goes deeper unmasking instead the abusive theology that ensures these controversies and their harmful outcomes persist Drawing extensively from scripture and from two millennia of church history and theology Vile Bodies slowly exposes how churches have preferred doctrine to compassion orthodoxy to justice and legalism to love culminating in the global abuse crises in the churches that have largely destroyed their moral credibility

God, Sex, and Gender Adrian Thatcher, 2011-03-29 Engagingly and clearly written by a highly respected theologian God Sex and Gender is the first comprehensive introduction to a theology of both sexuality and gender available in a single volume Makes a theological contribution to understanding the unprecedented changes in sexual and gender relationships of the last fifty years Discusses many topics including sexual difference sexual equality gender and power the nature of desire the future of marriage in Christian sexual ethics homosexuality and same sex unions the problems of sexual minorities contraception in a time of HIV AIDS the separation of sexual experience from marriage and offers new arguments for marriage and for chastity Offers a consistent and engaging introduction at the cutting edge of theological inquiry which is contemporary undogmatic questioning and relevant to readers experience interests and needs Written lucidly and engagingly by an established and respected academic who has published widely in this area

Hearts Ablaze Rolf Nolasco, 2022-10-18 Meditations addressing the spiritual needs of queer Christians A new look at ten selected parables of Jesus that expands the scope of interpretation of each story to highlight God s extravagant welcome of all people The perspective in the reflections is deeply personal and written to be used by both individuals and groups Queer affirming churches seminaries and retreat centers will benefit from this resource as they continue to champion the flourishing of their queer siblings in Christ
