Winning the Loser's Game, Fifth Edition: Timeless Strategies for Successful Investing Charles Ellis, 2009-10-02 The Classic Guide to Winning on Wall Street Completely Updated and Expanded The best book about investing The answer is simple Winning the Loser s Game Using compelling data and pithy stories Charley Ellis has captured beautifully in this new and expanded edition of his classic work the most important lessons regarding investing

In today's unforgiving environment it's a must read. F. William McNabb III, Chief Executive Officer and President Vanguard, Charley Ellis has been one of the most influential investment writers for decades. This classic should be required reading for both individual and institutional investors. Burton Malkiel, author of *A Random Walk Down Wall Street*, "No one understands what it takes to be a successful investor better than Charley Ellis, and no one explains it more clearly or eloquently." This updated investment classic belongs on every investor's bookshelf. Consuelo Mack, Anchor and Managing Editor, Consuelo Mack WealthTrack, "A must reread, classic refreshed and updated with the latest lessons to be learned from the 2008-2009 market events." Martin Leibowitz, Managing Director, Morgan Stanley Research, "Winning the Loser's Game has long been required reading for professional investors. This elegant volume explores approaches for individuals such as relying on intellect rather than emotion and building a personal portfolio by taking advantage of what other investors already know." Abby Joseph Cohen, Goldman Sachs Co., "This is less a book about competition than about sound money management. Sounder than Charley Ellis, they do not come." Andrew Tobias, author of *The Only Investment Guide You'll Ever Need*, "About the Book: Peter Drucker referred to *Winning the Loser's Game* as by far the best book on investment policy and management. Now in its fifth edition, the investing classic has been updated and improved. With refreshing candor, straight talk, and good humor, *Winning the Loser's Game* helps individual investors succeed with their investments and control their financial futures. Ellis, dubbed *Wall Street's Wisest Man* by *Money* magazine, has been showing investors for three decades how stock markets really work and what individuals can do to be sure they are long-term winners. Applying wisdom gained from half a century of working with the leading investment managers and securities firms around the world, Ellis explains how to avoid common traps and get on the road to investment success. *Winning the Loser's Game* helps you set realistic objectives and develop a sensible strategy. You will learn how to create an investment program based on the realities of markets. Use the unfair index fund to succeed even in tumultuous markets. Institute an annual review process to steer your investments well into the future. Maximize investing success through five stages: from earning and saving through investing, estate planning, and giving. The need for a trustworthy investing guide has never been greater. Sixty million individuals with 401(k)s are now responsible for making important investment decisions. They know they're not experts but don't know whom to trust. *Winning the Loser's Game* explains why conventional investing is a loser's game and how you can easily make it a winner's game."

Winning the Loser's Game, Seventh Edition Charles Ellis, 2017. Everything you need to know for long-term stock market success with critical new information about indexing, ETFs, and 401(k)s. From one of today's most respected authorities on stock investing, *Winning the Loser's Game* explains how you can avoid common traps and succeed in today's volatile markets. Ellis presents the cold, hard facts about important changes in the market over the past 50 years: why succeeding with active investing has become more difficult and how you can outperform markets for steady, long-term gain. With lower rates of return now and over the next several years, you need to rethink your overall approach to investing, and Ellis shows how in this heavily updated edition.
