Wisconsin Women in the War Between the States (Classic Reprint) Ethel Alice Hurn,2017-11-05

Excerpt from Wisconsin Women in the War Between the States Fifty years have passed since the Confederate attack on Fort Sumter The story of the terrible War between the States which followed that dramatic episode has been told by thousands of writers who have touched on almost every phase of the struggle But curiously enough the part taken by the patriotic women of the North has thus far failed of adequate description Their hearts responded to the appeal of the Union as quickly and as nobly as those of the men At first however their opportunities for service did not equal their eagerness to help but it was soon realized that woman s office in the conflict was of its kind as important as that of the marching rank and file They lent encouragement and helpful sympathy in a hundred practical ways They not only sanctioned but urged the enlistment of their fathers sons brothers and lovers They ministered to organized companies and regiments before the departure for the front When once the volunteers were in the field boxes of dainties and comforts were sent to them from home and the ill and wounded appealed especially to the boundless charity of womankind About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Bowker's Law Books and Serials in Print* ,1995 *Thornton Wilder, Classical Reception, and American Literature* Stephen J. Rojcewicz, Jr.,2021-11-25 This book delineates how Thornton Wilder 1897 1975 a learned playwright and novelist embeds himself within the classical tradition integrating Greek and Roman motifs with a wide range of sources to produce heart breaking masterpieces such as *Our Town* and comedy sensations such as *Dolly Levi* Through this study of archival sources and close reading readers will understand Wilder s avant garde staging and innovative time sequences not as a break with the past but as a response to the classics The author traces the genesis of unforgettable characters like *Dolly Levi* in *The Matchmaker* *Emily Webb* in *Our Town* and *George Antrobus* in *The Skin of Our Teeth* Vergil s expression Here are the tears of the world and human matters touch the heart haunts Wilder s oeuvre Understanding Vergil s phrase as tears for the beauty of the world Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late Wilder exhorts us to observe lovingly alert to the wonder of the everyday This work will appeal to actors and directors professors and students in classics and in American literature those fascinated by modern drama and performance studies and non specialists theatre goers and readers in the general public *Drawn from the Classics* Stephen E.
