Women And Media Content Careers And Criticism:

Women and Media Cynthia M. Lont, 1995 This text examines women's roles and impact in newspapers, women's magazines, advertising, television, entertainment, television news, film, rock music, and music television. Each unit opens with a brief discussion of the history, portrayal, and employment of women in a specific medium, followed by three essays: a content analysis that quantifies the roles of women in that medium, a descriptive history of a specific woman or women's media group that has affected the medium, and a critical essay that challenges readers to think about women and media in new and different ways. The text intertwines various perspectives throughout its chapters: women as news, women as newsmakers, and the portrayal of women to give an integrative approach to the study of women and media.

The Routledge Companion to Media & Gender Cynthia Carter, Linda Steiner, Lisa McLaughlin, 2013-12-13 The Routledge Companion to Media and Gender offers a comprehensive examination of media and gender studies, charting its histories, investigating ongoing controversies, and assessing future trends. The 59 chapters in this volume, written by leading researchers from around the world, provide scholars and students with an engaging and authoritative survey of current thinking in media and gender research. The Companion includes the following features: With each chapter addressing a distinct concrete set of issues, the volume includes research from around the world to engage readers in a broad array of global and transnational issues and intersectional perspectives. Authors address a series of important questions that have consequences for current and future thinking in the field, including postfeminism, sexual violence, masculinity, media industries, queer identities, video games, digital policy, media activism, sexualization, docusoaps, teen drama, cosmetic surgery, media Islamophobia, sport telenovelas, news audiences, pornography, and social and mobile media. A range of academic disciplines inform exploration of key issues around production and policymaking, representation, audience engagement, and the place of gender in media studies. The Routledge Companion to Media and Gender is an essential guide to the central ideas, concepts, and debates currently shaping media and gender research.

Media Messages Linda Holtzman, Leon Sharpe, 2014-03-15 The new edition of this widely acclaimed book reveals how the popular media contributes to widespread myths and misunderstanding about cultural diversity. Along with updated media examples, expanded theories, and analysis, this edition explores even more deeply the coverage of race in two chapters, discusses more broadly how men and boys are depicted in the media, and socialized, and how class issues have become even more visible during the Great Recession of the 21st century and the Occupy movements.

Diversity in U.S. Mass Media Catherine A. Luther, Naeemah Clark, Carolyn Ringer Lepre, 2024-04-02 Provides students with clear and up-to-date coverage of the various areas associated with representations of diversity within the mass media. Diversity in U.S. Mass Media is designed to help undergraduate and graduate students deepen the conversations around diversity, equity, and inclusion in the media industries. Identifying consistencies and differences in representations of social identity groups in the United States, this comprehensive textbook critically examines a wide range of issues surrounding media portrayals of race.

Commercializing Women Katherine Toland Frith, Kavita Karan, 2008

Commercializing Women is a collection of original essays intended to stimulate discussion about the depictions of women in Asian media The authors explain how the underlying philosophical and cultural contexts that shape the life experiences of women in Asia are reflected in the media portrayals especially in advertising They discuss the influence of Confucianism in China Korea Taiwan and Singapore the traditional Hindu beliefs that have shaped life for women in India and finally the role of Islam in constructing social norms for women in Islamic countries like Pakistan Together these traditional influences along with the new and emerging global cultural values inherent in the media weave a set of conditions that create the context for images of women in Asian media Through a sampling of countries in Asia the authors are able to explore and compare the underlying issues that affect the commercial representation of women in the region By drawing on a range of methodologies this book provides scholars with an understanding of the representation of women in advertising from the point of view of message producers who view Asian women as a growing market for clothing and beauty products as well as from the point of view of many Asian women who see these commercial messages as tools for either subjugation or empowerment

BOOK

JACKET **Women, Feminism and Media** Sue Thornham, 2007 Over the past few decades feminist media scholarship has

flourished to become a major influence on the fields of media film and cultural studies This book explores the changing and often ambivalent relationship between the three terms women feminism and media in the light of these recent debates

Delights, Desires, and Dilemmas Ann C. Hall,1998-10-28 The question of the representation of women in the media has been an important one for feminists over the past three decades This diverse collection of essays represents three major trends in feminist media studies the liberal feminist perspective which focuses on the media s tendency to misrepresent and oppress women the postmodern perspective which illustrates the ways in which women can participate in enjoy and sometimes subvert the dominant media and the more recent attempts to identify and challenge the subtle backlash that threatens to obliterate feminist gains The contributors cover a wide range of subjects from advertisements for women s stockings to the life and death of Princess Diana

Gender Mosaics Dana Vannoy,2001 Gender mosaics reflects a sociological point of view on gender It emphasizes both the social construction of gender in everyday interactions and gender as a stratification system built into social institutions Through these readings students come to see how gendered behavior results in a stratification system in which men and women wield unequal power and unequal opportunity for self determination both in personal relationships and in the social organizations of society Cover

Women's Periodicals in the United States Kathleen L. Endres,Therese Lueck,1996-11-25 Throughout American history women have worked in reform organizations informal community groups and consciousness raising societies to change their neighborhoods their states and their nation To accomplish social change women have needed to communicate effectively among themselves and with society as a whole Throughout the 19th and 20th centuries women created numerous periodicals to address social political and economic issues Many of these were short lived newsletters while others continue to be published today Through entries on more than 70 individual periodicals published in the 19th and 20th centuries this reference traces the history of women s involvement in many of the social political and economic issues in the United States From abolitionism to temperance from moral reform to birth control from suffragism to anti suffragism from pacifism to feminism this reference surveys a wide range of social movements Entries are arranged alphabetically and each is written by an expert contributor Each entry overviews the history of the periodical and provides circulation and related information The entries close with selected bibliographies and the volume concludes with a chronology and a general bibliography

Encyclopedia of Children, Adolescents, and the Media Jeffrey Jensen Arnett,2006-12-14 From Internet censorship to sex and violence on television and in video games to debates over rock lyrics the effect of media on children and adolescents is one of the most widely debated issues in our society The Encyclopedia of Children Adolescents and the Media presents state of the art research and ready to use facts on the media s interaction with children and adolescents With more than 400 entries the two volumes of this resource cover the traditional and electronic media and their controversial impact for good and ill on children and adolescents

Association International Communication Association. Annual Conference,1995 **Undressing the Ad** Katherine Toland Frith,1997 Undressing the Ad aims to empower readers to become media literate through the work of deconstructing the consumer culture that surrounds them By introducing critical scholarship on advertising in a way that is accessible the book attempts to show how issues of race class and gender are expressed in contemporary advertising The readings in this book take a decidedly critical political perspective and explore how representation in advertising upholds certain economic and political structures and subverts others and exposes the myth that advertisements are merely messages aimed at selling goods and services Rather they are texts that shape contemporary culture and shape our images of ourselves

Perspectives on Family Communication Lynn H. Turner,Richard L. West,2002 Media Ethics Philip Patterson, Lee Wilkins,2002 Media Ethics combines real life and hypothetical cases with a succinct introduction to relevant ethical theory helping students prepare for the ethical situations they will encounter in the media professions Ideal as the main text in a media ethics course or as a supplemental text in any course in journalism
