God's Storehouse Principle Workbook Sheila Holm, 2014-04-04 Workbook aligns with God's Storehouse Principle book. Foreword by Bishop George Dallas McKinney. Also within God's Storehouse Principle book, Sheila Holm has produced a concise statement on God's seeding and harvesting Kingdom Business principle: a tithe of all as God's master plan for stewardship while she shares how she discovered God's Storehouse Principle. Sheila's journey of faith begins with the recognition that we are totally and absolutely dependent upon God and that God has predestined our lives for his purpose and provided a plan for us which supports his work. Armed with this knowledge and faith, Sheila becomes a yielded vessel to be God's ambassador to encourage Christians, especially pastors, throughout the US, Africa, Australia, and Europe. Without sponsors or any visible means of support, she has traveled the world sustained by the faithfulness of God. God's Storehouse Principle confirms God's wisdom and plan within the testimony: God supplies all that we are and all that we need, and He requests that we bring tithes of all that He gives us based on the truth: the Earth is the Lord's and the fullness thereof. Psalms 24:1-2, I Corinthians 10:26 and 28. Since God is the owner of everything, He has the right to establish the terms of stewardship imposed upon those entrusted with His property, including all that we have been given: our life-time treasure and talents. When God's Storehouse Principle is implemented while we unite together for each other, all of God's work done God's way will not lack God's supply. God's Storehouse Principle is based upon God's plan that our blessings are to be shared so that the needs of others will be met, especially widows and orphans, all without husbands and fathers. I strongly recommend God's Storehouse Principle for it is a timely and urgent call for every Christian to do all of our business God's way.
