The Wisdom of Jesus Charles W Hedrick,2017-04-27 How would our understanding of Jesus change if we abandoned our preconceptions and focussed on his words alone How would this wisdom compare with that of ancient Israel and the early first century church Such questions pose serious difficulties Everything in the early Christian gospels is either derived from historical memory or is borrowed or invented argues Charles W Hedrick Of the many sayings attributed to Christ historians can only agree on a few as having been spoken by him and those few are far from certain In The Wisdom of Jesus Hedrick overcomes these challenges presenting a picture of Jesus as expressed through his own words The Jesus that emerges is a lower class man of the first century a complex figure who cannot be considered religious in a traditional sense Liberated from theological explanation and interpretation his discourse is revealed as belonging to the secular world and his concerns to be those of common life
