Linguistic Choices in the Contemporary City Dick Smakman, Jiří Nekvapil, Kapitolina

Fedorova, 2022-05-22 Linguistic Choices in the Contemporary City focuses on how individuals navigate conversation in highly diversified contexts and provides a broad overview of state of the art research in urban sociolinguistics across the globe Bearing in mind the impact of international travel and migration the book accounts for the shifting contemporary studies to the workings of language choices in places where people with many different backgrounds meet and exchange ideas It specifically addresses how people handle language use challenges in a broad range of settings to present themselves positively and meet their information and identity goals While a speaker's experience runs like a thread through this volume the linguistic cultural and situational focus is as broad as possible It runs from the language choices of Chinese immigrants to Beijing and Finnish immigrants to Japan to the use of the local lingua franca by motor taxi drivers in Ngaound r Cameroon and how Hungarian students in their dorm rooms express views on political correctness uninhibitedly As it turns out language play improvisation humour lies as well as highly marked subconscious pronunciation choices are natural parts of the discourses and this volume provides numerous and extensive examples of these techniques For each of the settings discussed the perspective is taken of personalised linguistic and extra linguistic styles in tackling communicative challenges This way a picture is drawn of how postmodern individuals in extremely different cultural and situational circumstances turn

out to have strikingly similar human behaviours and intentions Linguistic Choices in the Contemporary City is of interest to all those who follow theoretical and methodological developments in this field It will be of use for upper level students in the fields of Sociolinguistics Pragmatics Linguistic Anthropology and related fields in which urban communicative settings are the focus *My First Chinese Alphabet Book and Audio CD (Features Translations in English, Traditional Chinese, and Pinyin & Zhuyin Phonetics)* Go Boo Boo Xue Zhong Wen, 2012-01-01 My First Chinese Alphabet™ Book is a must have book for children who are starting to learn Mandarin Chinese and a great resource for parents This book introduces each of the 37 characters letters of the Chinese Alphabet also known as Zhuyin Phonetics along with beautifully illustrated animals as examples for each letter The English and Pinyin spelling of the letter s sounds are also included so parents with no background in Chinese can conveniently follow along In addition an audio CD of My First Chinese Alphabet™ Song is included so you never have to worry about whether your pronunciation is correct Your child will have fun building the necessary foundation to learn Mandarin Chinese with this fun book **Experimenting the Human** G Douglas Barrett, 2023-01-13 An engaging argument about what experimental music can tell us about being human In *Experimenting the Human* G Douglas Barrett argues that experimental music speaks to the contemporary posthuman a condition in which science and technology decenter human agency amid the uneven temporality of postwar global capitalism Time moves forward for some during this period while it seems to stand still or even move backward for others Some say we re already posthuman while others endure the extended consequences of never having been considered fully human in the first place Experimental music reflects on this state Barrett contends through its interdisciplinary involvements in postwar science technology and art movements Rather than pursuing the human s beyond experimental music addresses the social and technological conditions that support such a pursuit Barrett locates this tendency of experimentalism throughout its historical entanglements with cybernetics and in his intimate analysis of Alvin Lucier s neurofeedback music Pamela Z s BodySynth performances Nam June Paik s musical robotics Pauline Oliveros s experiments with radio astronomy and work by Laetitia Sonami Yasunao Tone and Jerry Hunt Through a unique meeting of music studies media theory and art history *Experimenting the Human* provides fresh insights into what it means to be human [English Pronunciation in Use Intermediate with Answers, Audio CDs \(4\) and CD-ROM](#) Mark Hancock, 2012-05-21 *English Pronunciation in Use* is a comprehensive reference and practice book for learners of intermediate level and above It is suitable for use by individual learners or in the classroom The book contains 60 easy to use two page units covering all aspects of pronunciation including sounds stress and intonation [Faces of Tradition in Chinese Performing Arts](#) Levi S. Gibbs, 2020-02-11 *Faces of Tradition in Chinese Performing Arts* examines the key role of the individual in the development of traditional Chinese performing arts such as music and dance These artists and their artistic works the faces of tradition come to represent and reconfigure broader fields of cultural production in China today The contributors to this volume explore the ways in which performances

and recordings including singing competitions textual anthologies ethnographic videos and CD albums serve as discursive spaces where individuals engage with and redefine larger traditions and themselves By focusing on the performance scholarship collection and teaching of instrumental music folksong and classical dance from a variety of disciplines these case studies highlight the importance of the individual in determining how traditions have been and are represented maintained and cultivated Background Noise, Second Edition Brandon LaBelle, 2015-01-29 Follows the development of sound as an artistic medium and illustrates how sound is put to use within modes of composition installation and performance
