Vistica, 2024-05-01 The Education of Lieutenant Kerrey is an incredible story and a modern morality tale about a man of compassion and promise trapped by a horrible secret On the night of February 25 1969 an inexperienced 25 year old lieutenant Bob Kerrey led a commando raid on an isolated hamlet called Thanh Phong in Vietnam's Mekong Delta While witnesses and official records give varying accounts one thing is certain around midnight Kerrey and his men killed nearly two dozen unarmed women and children What happened that night and why It's a terrible secret that Kerrey has borne for more than thirty years Kerrey went on to do heroic things in Vietnam and later as a politician Since World War II he is only Medal of Honor winner to sit as a member of Congress In many ways Kerrey's life following that tragic mission has been a struggle for redemption So is Bob Kerrey a war hero or war criminal Gregory L Vistica who uncovered the Thanh Phong atrocities in a widely praised cover story for The New York Times Magazine searches the entire span of Kerrey's life to answer that question From his rural boyhood in Nebraska to his gut wrenching Navy SEAL training to his aborted run for President Kerrey's life will become a vehicle for understanding the Vietnam generation shaped in the 50s and sharpened by the tumultuous 60s *Dodging Angels on Saturday* Graeme Garrett, 2005 Of many surprising experiences that life has brought two stand out for me God and children Neither turned out to be anything like I had been lead to expect God was big in my family of origin big enough to lure me into a life of faith But I hardly knew what I was getting into Then I married and had two daughters At the time I thought you had children while you got on with the rest of your life That idea turned out to be wide off the mark as well Parents sometimes ask their children usually in the light of some misdemeanor What have you got to say for yourself But that question can as readily be put the other way After all we bring our children without consultation into the world They have to live with the circumstances we create until age and stage give them a choice This book is an attempt at an answer to the

implied questions of the rising generation Of all possibilities available why did you choose to live as a believer And what on earth has that to do with us The author an Anglican theologian at St Mark s National Anglican Theological College in Canberra Australia and has previously written for Liturgical Press in the US The Saturday Review of Politics, Literature, Science and Art ,1898
