The Spiritual Dynamics Of Relationships

Silton, Nava R.

The Spiritual Dynamics Of Relationships:

Seductions Exposed Gary L. Greenwald, 2003-05-01 If you've ever ended a relationship you knew wasn't God's will for your life but you can't seem to stop thinking about that person. If your behavior is being influenced in a negative way by people you come into contact with. If you're cursing yourself through forbidden statues, jewelry, and practices. It's time for you to break free from the ties on your soul. Dr. Gary Greenwald will explain how the transference of spirits and soul ties can create dominion over your life. Learn how to defeat the deceiving spirits that control many of the things you come into contact with every day. You can be delivered into a life ruled only by the Holy Spirit. *The Loving Relationships Treasury* Sondra Ray, 2011-08-24 Collected from her groundbreaking series of relationship books, *THE LOVING RELATIONSHIPS TREASURY* distills the core teachings of Sondra Ray's unique approach to finding, achieving, and maintaining the deepest, most fulfilling relationships possible. Ray's timeless writing continues to inspire us to begin our personal journeys toward integrating intimacy and spirituality within every significant relationship with ourselves, our mates, our parents, our children, our colleagues, our world. **Spiritual Dynamics in the Body of Christ** Chris S. Sherrerd, 2003 **Spirituality in Clinical Practice** Len Sperry, 2012-01-26 Psychotherapists are increasingly expected to incorporate the spiritual as well as the psychological dimension in their professional work. Therapists also are increasingly required to utilize evidence-based practices and demonstrate the effectiveness of their practice. An ever-increasing number of spiritually oriented psychotherapy books attest to its importance, but unlike these books that primarily focus on the therapist's spiritual awareness, the second edition of *Spirituality in Clinical Practice* addresses the actual practice of spiritually oriented psychotherapy from the beginning to the end. Dr. Len Sperry, master therapist and researcher, emphasizes the therapeutic processes in spiritually oriented psychotherapy with individual chapters on the therapeutic relationship, assessment, and case conceptualization, intervention, evaluation, and termination, and culturally and ethically sensitive interventions. The days of training therapists to be spiritually aware and sensitive to client needs are over; therapists are now expected to practice spiritually sensitive psychotherapy in a competent manner from the first session to termination. Dr. Sperry organizes his text around this central focus point and, as in the original edition, continues to provide a concise, theory-based framework for understanding the spiritual dimension. Readers can use this framework as the basis for competently integrating spirituality in an effective, evidence-based psychotherapy practice. **Family Dynamics and Romantic Relationships in a Changing Society** Silton, Nava R., 2017-02-08 As society changes and develops, personal relationships can be significantly affected by evolving cultures.
