

THE COLLECTED BREECE D'J PANCAKE

Stories, Fragments, Letters

**Introduction by
Jayne Anne Phillips**

The Stories Of Breece Dj Pancake

Thomas E. Douglass

The Stories Of Breece Dj Pancake:

The Stories of Breece D'J Pancake Breece D'J Pancake, 1984 Breece D J Pancake cut short a promising career when he took his own life at the age twenty six Published posthumously this is a collection of stories that depict the world of Pancake's native rural West Virginia **The Collected Breece D'J Pancake: Stories, Fragments, Letters** Breece D'J

Pancake, 2020-10-27 A definitive edition of the haunted and haunting stories of the legendary West Virginia writer with rare unfinished stories and fragments and revealing letters Breece D J Pancake published only a handful of stories before he took his own life in 1979 just shy of his twenty seventh birthday Those stories and a small number of others found among his papers after his death comprise the remarkable posthumous collection *The Stories of Breece D J Pancake* 1983 recognized at the time as an American Dubliner Jayne Anne Phillips and a collection by a young writer of such extraordinary gifts that one is tempted to compare his debut to Hemingway's Joyce Carol Oates Kurt Vonnegut called him merely the best writer the most sincere writer I've ever read Today his diverse admirers include Margaret Atwood Andre Dubus III Tom Waits and Lorde *The Collected Breece D J Pancake* brings together the original landmark book several story drafts and fragments and a selection of Pancake's letters to offer an unprecedented picture of his life and art Among the unfinished stories are fragments from Pancake's two planned novels The letters document his relationship with writers such as Peter Taylor John Casey James Alan McPherson and Mary Lee Settle and offer a picture of his collaborative relationship with his mother who sent him newspaper clippings and helped him research his stories Pancake's stories are the only stories written in just this way Jayne Anne Phillips writes in her introduction from inside the minds of protagonists coming of age in the mountains of an Appalachian world closed to others At once beautiful and relentlessly bleak the stories concern miners truckers farmers waitresses and others facing constricted economic and life prospects In one way or another his characters are stuck hoping for a change in fortune they can neither relinquish nor quite bring themselves to believe in the land and the past making equally strong claims on their darkening present **A Room Forever** Thomas E. Douglass, 2004-11 After twenty six year old author Breece

D J Pancake took his own life in April 1979 the West Virginian's posthumously published short story collection made a considerable impact on the world of letters His work was praised for a controlled muscular style reminiscent of Hemingway for its strong undercurrent of emotion and for its evocation of the blighted lives of the mountain poor In *A Room Forever* Thomas E Douglass offers a detailed portrait of Pancake's short life examining the varied circumstances and emotional forces that led to the writer's suicide and exploring Pancake's influence on contemporary fiction generally and Appalachian writing in particular Drawing on notebooks letters and manuscripts left by Pancake as well as numerous conversations and interviews with family friends and others Douglass has recreated the key events of the young artist's life his West Virginia childhood his romantic losses his education as a writer at the University of Virginia and the acceptance of his work by the East Coast literary establishment Through analysis of the story fragments reproduced in this volume including *The*

Conqueror and Shouting Victory Douglass illustrates the recurring themes such as fear of failure and the inability to escape disaster that Pancake expressed so eloquently in his work and he shows their origins in the writer's own personal history. Douglass examines the degree to which Pancake drew on his memories of life in Appalachia and discusses Pancake's influence on other Appalachian writers such as Pinckney Benedict. Douglass argues that Pancake's posthumous collection *The Stories of Breece D J Pancake* brought a renewed interest in regional writing to the national literary scene. *A Room Forever* brings to life the artistic sensibility and inner turmoil of a legendary figure in contemporary southern letters. *Trilobites and Other Stories* Breece Pancake, 2014-06-25. The stories in this collection nearly all take place in and around the mountain hollows of West Virginia, a world of cock fighting, coal mining, deer stalking, sex, depression, drinking, and death. It would be easy to allow his one collection of stories to be buried under the landslide of books published every year. But it is worth doing a little excavating to dig it up. The past few years have seen late in the day and posthumous revivals of interest in writers such as John Williams. Get out your pickaxes. New Yorker Breece D J Pancake left behind an astonishing achievement. He was a master of a distinctly American vernacular which he used to remind us of all the ways that fiction could teach us about ourselves. These stories are absolutely essential reading. Kevin Powers, author of *The Yellow Birds*.

Am I Alone Here? Peter Orner, 2016-10-25. This National Book Critics Circle Award is an entrancing attempt to catch what falls between the irreducibly personal, messy, even embarrassing ways reading and living bleed into each other, which neither literary criticism nor autobiography ever quite acknowledges. The New York Times. Stories both my own and those I've taken to heart make up whoever it is that I've become. Peter Orner writes in this collection of essays about reading, writing, and living. Orner reads and writes everywhere he finds himself: a hospital cafeteria, a coffee shop in Albania, or a crowded bus in Haiti. The result is a book of unlearned meditations that stumbles into memoir. Among the many writers Orner addresses are Isaac Babel and Zora Neale Hurston, both of whom told their truths and were silenced; Franz Kafka, who professed loneliness but craved connection; Robert Walser, who spent the last twenty-three years of his life in a Swiss insane asylum working at being crazy; and Juan Rulfo, who practiced the difficult art of silence. Virginia Woolf, Eudora Welty, Yasunari Kawabata, Saul Bellow, Mavis Gallant, John Edgar Wideman, William Trevor, and Valery Havel make appearances as well as the poet Herbert Morris, about whom almost nothing is known. An elegy for an eccentric late father and the end of a marriage, *Am I Alone Here* is also a celebration of the possibility of renewal. At once personal and panoramic, this book will inspire readers to return to the essential stories of their own lives.

Gothic Appalachian Literature Sarah Robertson, 2024-10-01. Gothic Appalachian Literature examines the ways contemporary Appalachian authors utilize gothic tropes to explore the complex history and contemporary problems of the region, particularly in terms of their representation of economic and environmental concerns. It argues that across Appalachian fiction, the plight of characters to save their homes, land, and way of life from the destructive forces of extractive industries brings sharply to bare the histories of colonization and slavery that problematize

questions of belonging ownership and possession Robertson extensively considers contemporary manifestations of the gothic in Appalachian literature arguing that gothic tropes abound in fiction that focuses on the impacts of extractive industries that connect this micro region with other parts of the Global North and Global South where the devastating impacts of extractive industries are also experienced socially economically and environmentally
