$$n, T, H, M > 1$$

T

WORK IN
MAN-HOURS

This is a constant most of the time since we will be looking for a balanced use of time. "Carpe Diem" is our motto and we strive to make the most of our time and ready to go the extra mile.

H

PEOPLE'S
ABILITY

To relentlessly raise people's ability (H) through self and on-job education, formal training and exposure to ever challenging technical and business problems/projects.

M

GROUP
MORALE

To raise morale (M) (motivation and commitment) and create a workplace where people feel free to act with spontaneity and to take initiative.

P

PRODUCE
RESULTS

We will be empowering people to do their best work, unleash their creativity, act with a sense of urgency and go the extra mile, building a rock-solid foundation for our collective success.

The Success Equation The Success Equation:

The Success Equation Michael J. Mauboussin, 2012-10-16 Much of what we experience in life results from a combination of skill and luck From the Introduction The trick of course is figuring out just how many of our successes and failures can be attributed to each and how we can learn to tell the difference ahead of time In most domains of life skill and luck seem hopelessly entangled Different levels of skill and varying degrees of good and bad luck are the realities that shape our lives yet few of us are adept at accurately distinguishing between the two Imagine what we could accomplish if we were able to tease out these two threads examine them and use the resulting knowledge to make better decisions In this provocative book Michael Mauboussin helps to untangle these intricate strands to offer the structure needed to analyze the relative importance of skill and luck He offers concrete suggestions for making these insights work to your advantage Once we understand the extent to which skill and luck contribute to our achievements we can learn to deal with them in making decisions The Success Equation helps us move toward this goal by Establishing a foundation so we better understand skill and luck and can pinpoint where each is most relevant Helping us develop the analytical tools necessary to understand skill and luck Offering concrete suggestions about how to take these findings and put them to work Showcasing Mauboussin's trademark wit insight and analytical genius The Success Equation is a must read for anyone seeking to make better decisions in business and in life
