**Sunday School Movement** Stephen Orchard,John H. Y. Briggs,2007-06-01 Today s Sunday schools are a pale shadow of what they were in the past Churches have found other ways of serving children and young people and carrying out adult education From a historical point of view the Sunday schools have immense significance As late as the 1950s approximately half the children in Great Britain were associated with Sunday schools In the nineteenth century Sunday schools were part of

general educational provision With National British and Ragged schools Sunday schools represented the Christian philanthropic impulse to provide a basic education to the public at large and at low cost The role of the churches in educational provision is again a topic of public interest and the time is right to reflect on some of the lessons of the past A range of experts have been asked to assess different aspects of the history of the Sunday school movement Clyde Binfield Faith Bowers John H Y Briggs Grayson Ditchfield Hugh McLeod Stephen Orchard Jack Priestley Geoff Robson and Doreen Rosman They provide a remarkable survey of many aspects of Sunday schools from their origin to their reinvention from teaching the catechism to promoting sport     The Sunday School John Palmer (secretary, Ch. of Engl.
