Max's Digital SAT Grammar Max Kim,2024-11-13 In this updated second edition I ve made significant improvements by correcting ambiguous instruction explanations This ensures that all guidance is clear and precise allowing you to study more effectively and confidently I believe in being thoroughly prepared rather than underinformed That s why I ve analyzed not only the Digital SAT but also its predecessor the redesigned SAT When the College Board introduced the redesigned SAT in 2016 I examined the practice tests and continued analyzing subsequent exams Through this ongoing effort I compiled key grammatical concepts that I knew would be essential for my students to master Beyond the commonly tested topics I ve included some challenging grammatical concepts that appeared only occasionally on the redesigned SAT yet often prove difficult for students to grasp or find clear explanations for For instance ellipsis was tested in May 2017 semicolons for lists in December 2017 and asyndeton in March 2021 While semicolons for lists appeared only once on the redesigned SAT it has become more common on the Digital SAT In short every example question and sentence in this book is modeled on actual SAT questions from 2016 to the present ensuring that you are well prepared for the exam

The Perfect Score Project Debbie Stier,2014-09-09 Save yourself time money and frustration by reading The Perfect Score Project one of the most compulsively readable guides to SAT test prep ever written and a down to earth reminder of the things that really matter in life The project began as an attempt by Debbie Stier to help her teenage son Ethan who would shortly be studying for the SAT Aware that Ethan was a typical teenager i e uninterested in any test especially a 4 hour standardized exam and would be

facing a much more competitive admissions process and economy than when she was in high school she decided to climb into the trenches with him She took the SAT seven times in one year ultimately compiling an accessible and relatable guide that is both a consumer report of fresh tips and an amusing snapshot of parental love and wisdom colliding with teenage apathy Stier quickly became hooked and her quest turned into an exercise in both hilarity and heartbreak as she persisted in deciphering the mind boggling menu of test prep options In The Perfect Score Project Debbie tries it all from Kaplan to Kumon and The Khan Academy she meets with a premier grammar coach takes a battery of intelligence tests and studies with the world s most prestigious and expensive test prep company She answers all the questions that overwhelm students and parents facing the SAT When do I start Does brand name test prep work Do I need a tutor a class or can I self study What s the one thing I need to know and What s the secret to teenage motivation The Perfect Score Project has inspired thousands of parents students and teachers to connect and transform the most reviled right of passage in a high school student s life into a positive experience This book provides concrete research on the best ways to succeed on a test that serves as the last big milestone before kids leave for college
