

A photograph of a red fishing boat on a pebble beach. The boat is partially covered with a blue tarp and has a large pile of fishing nets and ropes on its deck. The beach is made of smooth, light-colored pebbles. In the background, the ocean meets a sandy dune under a blue sky with scattered white clouds.

Uncovering What Religion Has To Hide The Testimony Of Simon Peter:

Uncovering What Religion Has to Hide RUSSELL M. STENDAL, 2015-04-15 Peter made all the classical Christian mistakes He spoke before thinking lacked faith and even denied the Lord Jesus Christ But Peter had a moldable open heart and the Lord knew it All the mistakes Peter made helped him understand what other Christians face and his writings both warn and encourage readers today Too many of today s religious entities and Christian individuals are functioning on spiritual autopilot rarely pausing to pray in earnest and seek the Lord s will for their lives Peter says if we lack the things of the Lord we are blind and walk by feeling the way with our hands 2 Peter 1 9 His writings serve as an eye opener for those who want to live for the Lord completely and without reservation About the Author Russell Stendal a former hostage of Colombian rebels is a lifelong missionary to that same group in the jungles of Colombia He is an influential friend to military and government leaders in Colombia Cuba Mexico Venezuela and the United States Russell s ministry shares the gospel via twelve radio stations hundreds of thousands of Bibles books and movies distributed through airplane parachute drops and numerous speaking engagements for groups of leaders prisoners and individuals Russell goes wherever the Lord leads whether it s to speak with a president or to go deep into the jungle to help an individual in trouble He has witnessed thousands commit their lives to Christ

Ruth: A Prophetic Story of Faith, Grace, and Redemption Russell M. Stendal, 2019-09-24 The book of Ruth records historical events that literally happened but it is also a living parable with great spiritual and prophetic significance This is the love story of Ruth symbolic of the bride of Christ and Boaz the kinsman redeemer who is symbolic of Jesus Christ Ruth was the third gentile woman after Tamar and Rahab to be incorporated into the bloodline of Jesus Christ and became the great grandmother of king David Boaz is the eleventh generation of the line of Abraham What a wonderful delightful time in the history of the town of Bethlehem and of the people of God All these events would lead to the advent of Jesus Christ prophesied as the seed of Abraham and the son of David The genealogies in Scripture all culminate at the generation of Christ in which we like Ruth may be included by faith and grace as part of the redeemed body of Christ

Wisdom to Persevere in Faith Russell M. Stendal, 2023-02-28 Today we see an increasing number of headlines focused on Evangelicalism and Christian Nationalism bringing the matter of being Christian under great scrutiny As Christians we must ask ourselves whether we can be scrutinized and found desirable by both God and man Many who profess to be Christians might say this is impossible but is that really what the Scriptures teach Man s wrath is very different from God s wrath God is slow to anger On a human level in the world around us individuals and even entire groups are continually riled up and insulting one another None of this effectuates the righteousness of God James 1 21 entreats us to leave all uncleanness and remains of malice and receive with meekness the word ingested within you which is able to cause your souls to be saved God has the purpose for his children to be examples to those around them The books of James and Jude have much to say regarding what this should look like and how it is accomplished which is to receive the wisdom

prepared for us Do not err my beloved brethren Every good gift and every perfect gift is from above and comes down from the Father of lights with whom is no variableness neither shadow of turning James 1 16 17 God desires to give good and perfect gifts to his children who ask in faith not doubting anything In fact he is the only source of anything good and perfect He is the Father of lights He is the Father of our Lord Jesus Christ who is the light of the world and who does not change and his plans and expectations for us remain constant Jesus told his disciples that corporately Ye are the light of the world The plan of the Father of lights is to bring us out of darkness and into his light so that he can place his life and love and light in us for all the world to see *The Gospel of Jesus Christ: Whosoever Will Come After Me ...* Russell M. Stendal, The gospel of Mark speaks of the Son of God who will soon return and manifest an incorruptible kingdom that differs greatly from the kingdoms of men When Jesus said that his kingdom is not of this world some were very disillusioned They did not understand that Jesus came to announce a very different kingdom which he started by planting an incorruptible word for he is the living Word of God Over the long history of the church many have made and are still making tragic mistakes as they attempt to take over the corrupt kingdoms of this world in the name of God Jesus was ordained by God and approved by God He had no human credentials no certificates from Herod or the Sanhedrin or the high priest and he gave no written diplomas to his apostles At the Last Supper Jesus said Verily verily I say unto you He that receives whomsoever I send receives me and he that receives me receives him that sent me John 13 20 *The Prize of the High Calling of God* Stendal, Russell M., 2022-11-11 What is the greatest danger to the Christian life Is it the government or the next pandemic Is it the wrath of unbelievers or exposure to their lifestyles The life of a committed Christian is often fraught with difficulty and danger yet this is not something that should be seen as abnormal The apostle Paul dealt with trials and was in jeopardy throughout his entire ministry even to the point of being incarcerated for his faith Even so he knew that the greatest danger to the Christian life comes from within us Namely the insatiable and unchecked desires of the flesh of which he also referred to as the old man Paul understood that the flesh must be dealt with before believers can ever come to maturity in Christ therefore this was a matter he addressed within most of his epistles In totality Paul teaches that we must be crucified with Christ so that we can live by the Spirit and not fulfill the lust of the flesh This is because he that sows to his flesh shall of the flesh reap corruption but he that sows in the Spirit shall of the Spirit reap eternal life Galatians 6 8 How can this be our reality In this latest book *The Prize of the High Calling of God* author Russell M Stendal examines the entirety of the epistles Paul wrote while imprisoned in Rome As always with Russell s gift for seeing both the finer details and the larger picture he helps the reader to see that they can individually take hold of what God has for them in Christ and by the Holy Spirit Russell M Stendal is the editor and translator of the Jubilee Bible JUB and Biblia del Jubileo JBS translations that are published in English and in Spanish Well over a million copies of the Biblia del Jubileo have been donated and distributed into the most impoverished areas of Colombia and Venezuela Russell Stendal was born in Minneapolis and raised on the mission field in Colombia South

America He became a missionary jungle pilot at age nineteen Almost ten years later he was kidnapped in 1983 by Marxist rebels and held hostage for five months Russell has written many other books produced videos and produced the two aforementioned Bible translations Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and co workers and covering much of Latin America with the Gospel A thriving underground church has developed in remote jungle areas of Colombia New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela Ecuador Peru and Brazil as well as throughout Colombia **Elijah & Elisha** Russell M. Stendal,2019-06-13 At the time the Lord brought Elijah on the scene the kings of Israel and Judah were in serious trouble with the Lord Their many years of worshiping Baal and golden calves listening to Jezebel and killing the prophets was catching up to them Their earthly kingdoms were coming to an end and the Lord would move quickly when he moved What appeared to be harmless details to them was in fact rebellion in the sight of God While the kings served the gods of this world Elijah and Elisha did not Rather they were dedicated only to the Word of the Lord and if the Lord didn't speak directly to them they didn't move at all When they did move it was with the power and authority of the Lord resulting in the dramatic calling down of fire from heaven a three year drought people raised from the dead and many other miraculous events But did Elijah and Elisha take any glory No Elisha didn't even accept Naaman's token of appreciation so completely was he relying only on the Lord's provision The lives of Elijah and Elisha as well as the corrupt lives of the kings serve as important lessons for us today In addition there are many prophecies in 1 and 2 Kings that are now being fulfilled In fact the entire account is filled with living parables that are relevant for today The last Chapter of 1 Kings ends with the prophetic ministry facing serious jeopardy The first Chapter of 2 Kings opens with an awesome supernatural vindication of God's prophet Even Elijah seems to have been unaware of exactly when the timeline went past a tipping point into a new day in which the true prophets were never forced to retreat We seem to be approaching a similar tipping point today Your own life will be changed forever if you heed the truth that the Lord reveals to you in this book *God's Plan for Spiritual Battle* Russell M. Stendal,2024-09-18 I love a good fight When unjustly attacked I have learned to seek the guidance and leadership of the Holy Spirit and retaliate by Overcoming Evil with Good There is a huge difference between a Peacemaker and a Pacifist This Battle Plan for spiritual warfare gleaned from the life and message of Jesus especially the Sermon on the Mount and the Beatitudes was on my heart even before I was kidnapped by terrorists and held hostage under extreme conditions in 1983 Since then thousands of missionaries pastors and other Christians have been kidnapped murdered or forced to flee from their places of ministry in rural Colombia Had these Christians known and understood this battle plan for spiritual warfare they could have been victorious instead of prematurely suffering defeat Many who did choose to remain in the path of ever present danger have rallied around this message A thriving underground church is multiplying in a huge area about the size of North Korea in the south and east of Columbia where Bibles church buildings formal ministry and even house

meetings have been prohibited for more than 25 years Severe persecution in rural Colombia has actually served to bring real Christians together in deepening Christian relationships identify the true church and cleanse believers from corruption This has been possible because of the remnant that has been chosen to fight the good fight of faith **Quintessential Revelation** Russell M. Stendal,2019-07-03 Two things are quintessential to the book of Revelation The heart of Jesus and the heart of unconverted natural man These are contrary to each other yet need not be difficult to understand or identify Jesus referred to himself as both the Son of God and the Son of Man because he had come in flesh to redeem us from the curse Later John stated that every spirit that does not confess that Jesus Christ is come in flesh is not of God and this is that spirit of antichrist of which ye have heard that it should come and that now it is already in the world 1 John 4 3 In Revelation Jesus through John takes this into much greater detail so that we can grasp the principle of what antichrist means and how it could already be in the world in John s day Of course any discussion of the antichrist also necessitates discussion of the beast and the mark of the beast This is because the antichrist and the beast are inseparable In God s eyes unconverted natural man is a beast and the mark of the beast is the nature of the beast which is also the nature of antichrist If we can understand this fundamental precept our ability to understand the Book of Revelation becomes greatly expanded The only other requirement is that we have a clean heart before God Sadly many commentaries on Revelation ignore the need to have a clean heart in order to survive what s coming In Quintessential Revelation Understanding the Heart of Jesus in the Imminent Day of the Lord author Russell M Stendal shows us how the unconverted natural man a k a the flesh that man of sin the beast or antichrist as well as the devil all share the same essence and fate On the other hand the Father Son and Holy Spirit along with those who are written into the Book of Life also share in eternal essence and an eternal fate Digging deep into the signs the wonders and the prophets the author helps us discover the genuine Christian s role in the soon to be fulfilled book of Revelation The founder of Christianity and his religion, an intr. to the New Testament [signed J.M.].
