Winning Body Language, Presenting and Sales Secrets for Non-Sales

Professionals Chris Gold, 2019-09-25 Astonishingly body language is the most important factor in human communication Numerous studies have been undertaken in how Western society communicates and the figures do vary slightly though commonly it is stated that a whopping 55% of communication is down to physiology or body language 38% to tonality the way it is said and just 7% down to the words that are actually used Our ability to use body language in a positive way can be a powerful tool to our overall personality development It is the unspoken tool to a successful life Most everyone knows that the way you dress can influence others But you can wear the most expensive business suit and still not convey confidence approachability and perhaps most importantly sincerity Salespeople are always looking for new ways to make the sale What

they need to do is remember that you can't sell anything before you can sell yourself. As a salesperson, it's not always what you say that clinches or loses the deal, but how you say and present it. If you say one thing and give another message with your body, people will ALWAYS believe what your body language over your words. And it gets worse: not only will they believe your body language, they will also assume that they know what it means. Sometimes you just have to go for it. It's about using good judgment and good taste and knowing where the line is to ensure you don't cross it. If you are charismatic, highly skilled, and have the ability to read people, you can be a hard-core sales person who is all about the numbers AND at the same time cares about people AND cares about matching a high-quality solution to the client's needs. Do you want to learn how to have Winning Body Language Presenting and Sales Secrets for Non-Sales Professionals As well as How to Read Prospects Decode Signals to Close the Deal Well congratulations you have picked the right book to read. Life is found in the journey between two points, not at the destination, so learn to enjoy the ride because the ride is your life, so it's time to start living it. And this book will provide an effective map to guide you along the way to a very successful sales career for the non-salesman or woman. Author of the classic series how to grow your online business, Chris Gold offers an easy-to-follow guide on how to increase your income and make your online sales business work for you. This eBook is a simple secret formula to massively grow sales in your career or business. With practical step-by-step advice and an easy story-like approach, Chris Gold has a simple-to-follow roadmap for any entrepreneur to make money and get the freedom they always dreamed of. **Strictly Business** ANONIMO, 2008-02-25 **BODY LANGUAGE** Ryan Harris, 2019-12-21 If you want to make immediate changes in your Social Business and Romantic Life by learning the proven strategies of body language, then continue reading. Effective communication is one of the most critical aspects of success. With that said, BODY LANGUAGE is one of the least studied yet most important aspects of communication. Over 60% of your message is delivered through nonverbal physical cues that your body gives off. It is a scientific fact that people's gestures give away their true intentions. Now the world's foremost experts on the subject share their techniques for reading body language signals to achieve success in every area of life. Yet most of people don't know how to read body language and don't realize how our own physical movements speak to others. Are you one of them? This book will focus on the different aspects of non-verbal communication: the specific movements and signs to look for. The book is divided into chapters that deal with the main areas of the body where non-verbal signals can be found. The last part of the book deals with issues that are related to body language and have an impact on how we establish relationships with other people; these chapters are shorter and designed to place body language in context as well as help you to develop a broader understanding of how to use and read body language effectively. Here is a sneak peak of what you'll get inside the book: Understanding Body Language, How to Read the Head And Eyes, Reading Arms And Hands, Reading Legs And Feet, Common Body Language Myths, Understanding the CONTEXT Of Non-Verbal Cues And Much More. Filled with fascinating insights and simple strategies that you can apply to any situation, this book will enrich your communication with
