Without Criteria Without Criteria:

The Politics of Jean-Francois Lyotard Chris Rojek, Mr Bryan S Turner, Bryan Turner, 2012-10-12 Jean Francois Lyotard is still considered to be the father of postmodernism An international range of contributors in the field of cultural and philosophical studies including Barry Smart John O Neill and Victor J Seidler consider Lyotard s writings on justice and politics of difference feminism youth and Judaism **Performance Concept in Buildings: Invited papers** Bruce E. Foster, 1972 Morbidity and Mortality Weekly Report , 1999 **Postmodern Philosophy and Law** Douglas E. Litowitz, 1997 The author presents a two tiered analysis that views postmodern legal thought as both a collective intellectual movement and as the work of particular theorists notably Friedrich Nietzsche Michel Foucault Jacques Derrida Francois Lyotard and Richard Rorty He concludes that even though postmodern thought does not give rise to a normative theory of right that can be used as a framework for deciding cases it can focus attention on genealogy and discourse and can empower those who have been denied a voice in the legal system Annotation copyrighted by Book News Inc Portland OR **New York Court of Appeals.
