Wizards Journal Exalted Quests 1:

Wizards Journal Diana Smith, 2015-12-06 Short whimsical narratives about the quests of mythical wizards They are relayed in the form of journal entries fourteen entries Full color vividly illustrated including photographs of the wizards sculptures created by figurative ceramist Diana J Smith 36 page book Long ago in a time when animals talked like people and the world was full of wonders there existed a group of powerful and most magical wizards They lived in a lush green faraway land filled with towering mountains dense forests high jagged cliffs surrounded by a wild untamed sea But a closer look caused you pause they were curious indeed no species of animal or man ever known The words recorded in this exalted Tome were written by these extraordinary beings and may only be evident to those who have magic in their blood This Tome only extends its pages to the quills of those whose hearts were born of the wizarding world Those who may place the pen upon its pages must do so in consideration of only three things 1 Those that turn the page of this great Tome shall be committed to the completion of a quest of grand proportion 2 Adventurers and quest seekers alike must diligently make record of their journeys until each quest finds its completion 3 Upon completion of that quest each shall pass this Tome to the hands of its next great scribe and shall until that time bear the weight of these great pages Beyond this page lie excerpts of entries from the greatest of questers Those who dare may turn this page at their own peril **The London Journal, and Weekly**
